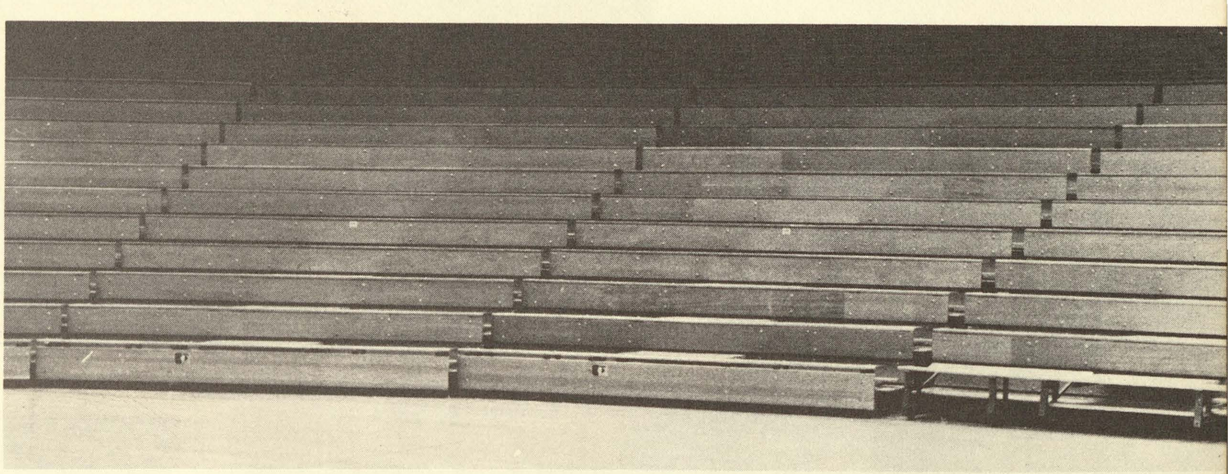
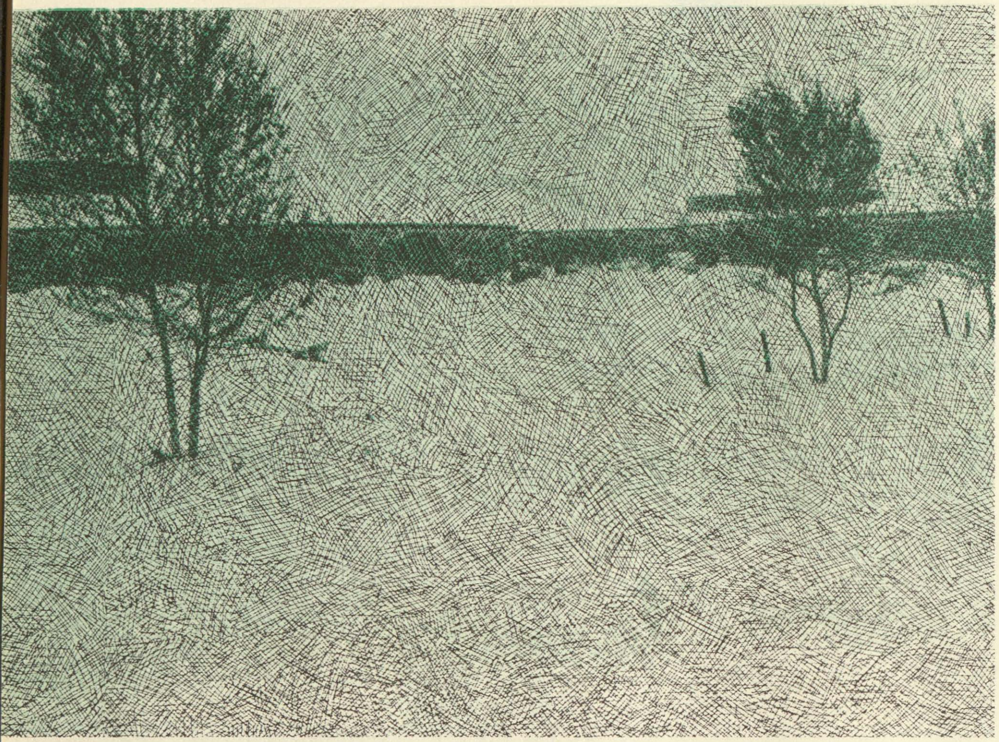
We've Only Just Begun . . .



. . . to live in a whole new world—a somewhat—confusing but easy-to-get-used-to world—an atmosphere—a school. It is a very important factor in the lives of each of us. Schooling educates man, broadens the mind, and opens the door to the future.

School will be what we make it—a fun game, a book of knowledge, a fairy tale, a tragedy. But whatever we do we must make it the best, for we only get one high school education, one tremendously large round gym, one Student Center, one commons area, one building shaped in circles with purple, orange and green carpeting . . . one Eisenhower High School!

". . . so many roads to choose" . . . should we stop here or shall we go on? Go on to crossroads of knowledge, achievement and success? High school is but a moment of our lives, and yet, without that moment we could not proceed, for high school is the foundation of our future. It is the basis from which we build our lives, from which we grow. Eisenhower High School is our beginning. It is a challenging experience, and it will be met if attempted with determination. Yes, it will be met, for we are proud and willing to say, "I belong to Eisenhower High School." We will succeed!



. . . and promises of a bright beginning to introduce years of tradition. Memories of the first prom, pride week, homecoming will all reflect the emotions of the times. Look ahead to the time when our dreams have materialized or disappeared; this is when we will find the promise of Eisenhower has been fulfilled in the hearts of all who have passed through its doors.

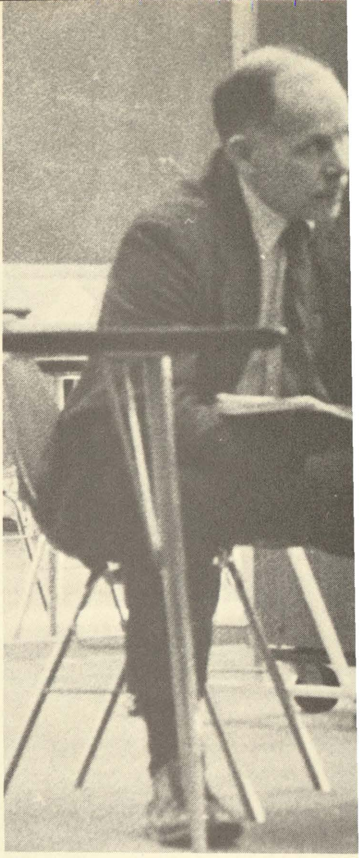
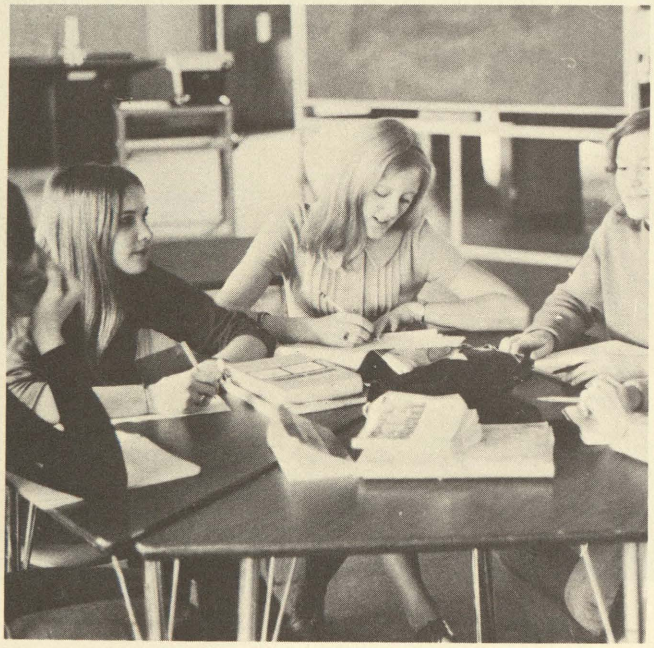
The Forum Governs



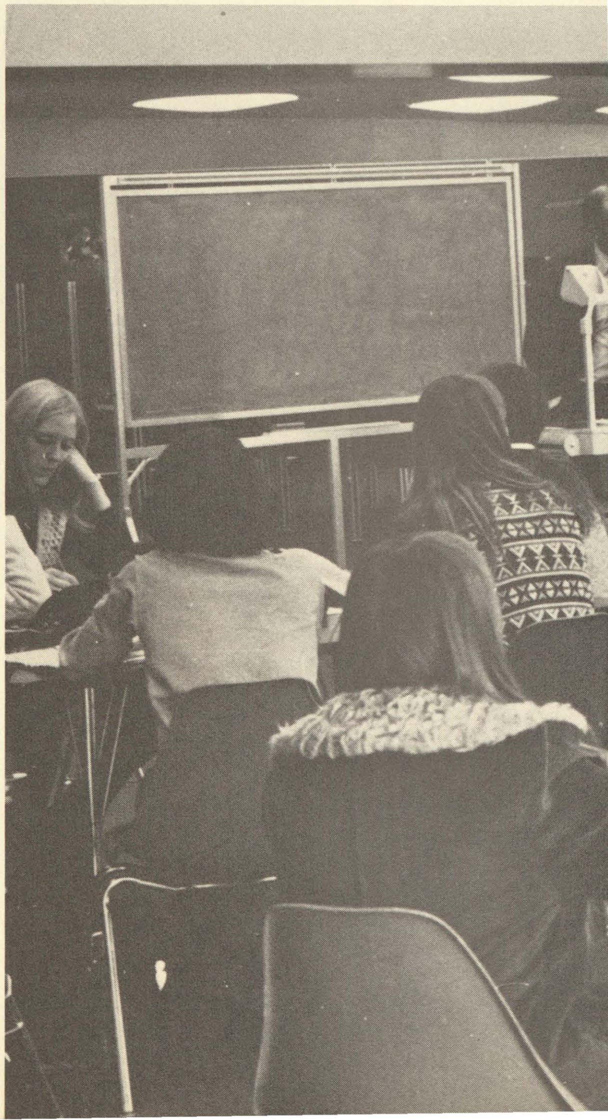
Here at Eisenhower, a bright, new, exciting school with fresh ideas, a unique type of government was formed. At the end of the 1970-71 school year a vote was taken on what type of government Eisenhower should have. A Student Forum consisting of the Principal, Assistant Principal, eight faculty members, and twenty-four students, eight from each class, was decided upon. All Forum meetings were open and each representative had one vote. In addition, faculty members and administrators were denied veto power. Meetings were called to order every other Tuesday at 3:00 P.M.

The Student Forum worked diligently and came up with many new ideas. Among other things they proposed having an open campus, succeeded in getting class officers elected, and wrote Eisenhower's first constitution.

In spite of organizational problems in the beginning weeks, the Forum proved to be an effective governing body at Eisenhower and promises to be even more productive in the years to come.



The Forum executive officers are Co-chairman, Wendy Hegenhauer, Treasurer, Pat Strobschien, Secretary, Kim Fry, and Chairman, Debbie Dye.



Below: Forum members await roll call. Below right: Chairman of the Forum, Debbie Dye, (center), pauses before she makes a decision. Bottom: Closed ballots are used when voting for Forum officers.

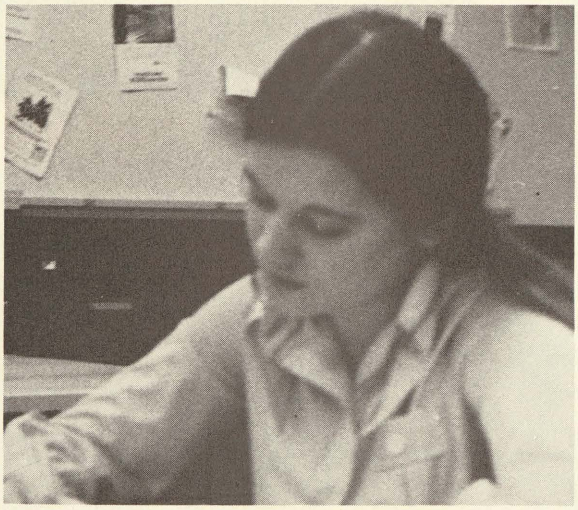
Staff Publishes First Introspectus

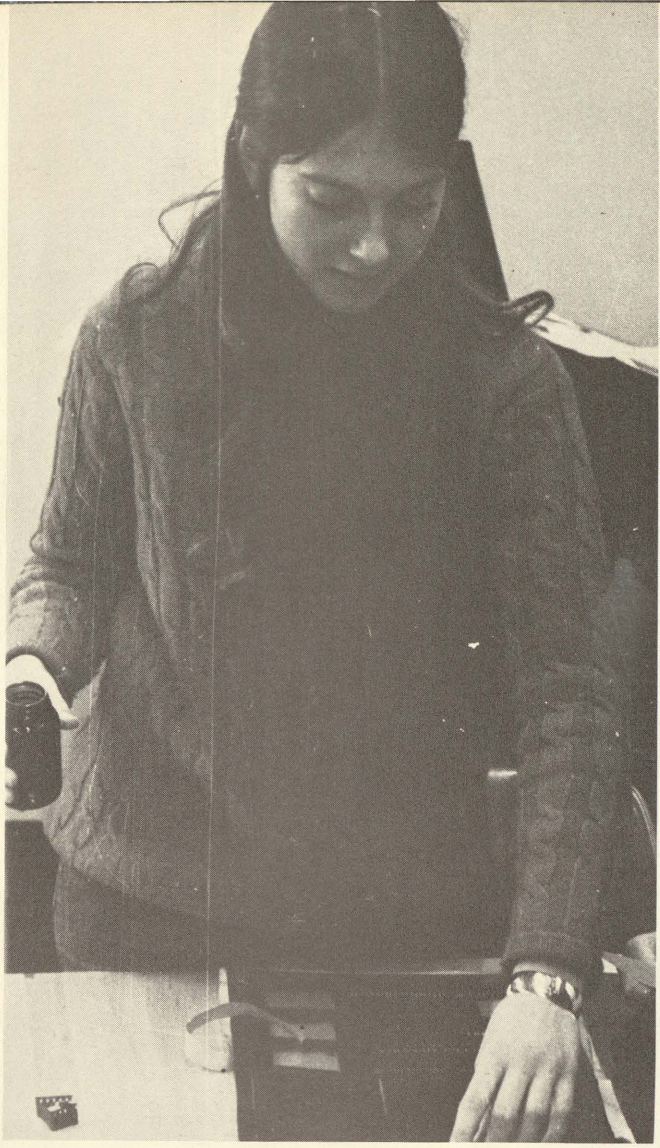


Every member of the Yearbook staff faced new experiences with the publication of their first Introspectus Yearbook.

The confusion of new clubs and other activities gave the staff a difficult year, but the pride and excitement of the beginning of Introspectus made up for more than these frustrations.

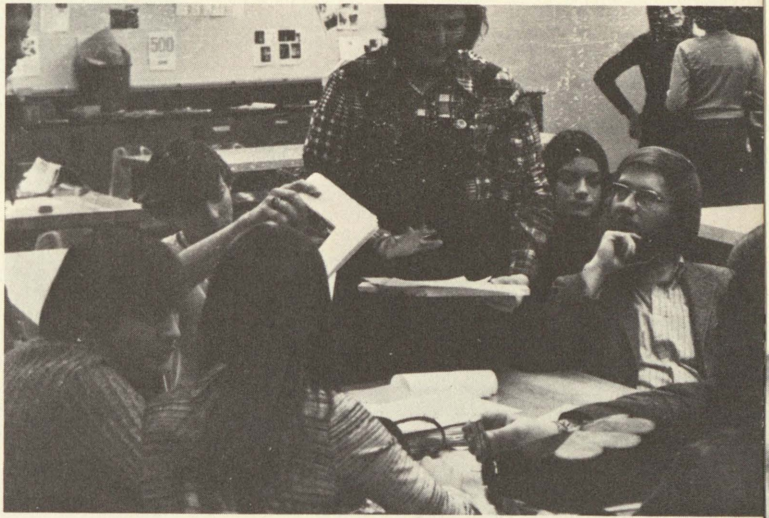
The staff worked hard selling ads, going over the set goal. A Yearbook dance was held, posters were sold as were mums for the semi-formal dance. With the money that was raised the staff attended the Northwood Yearbook Workshop this past summer.

Below: Top, Kay Makarewicz, Clockwise, Pam Willard, Sue Smokoski, Rhonda Jerome and the Yearbook advisor, Mrs. Ball, organize the pictures for Faces Section.

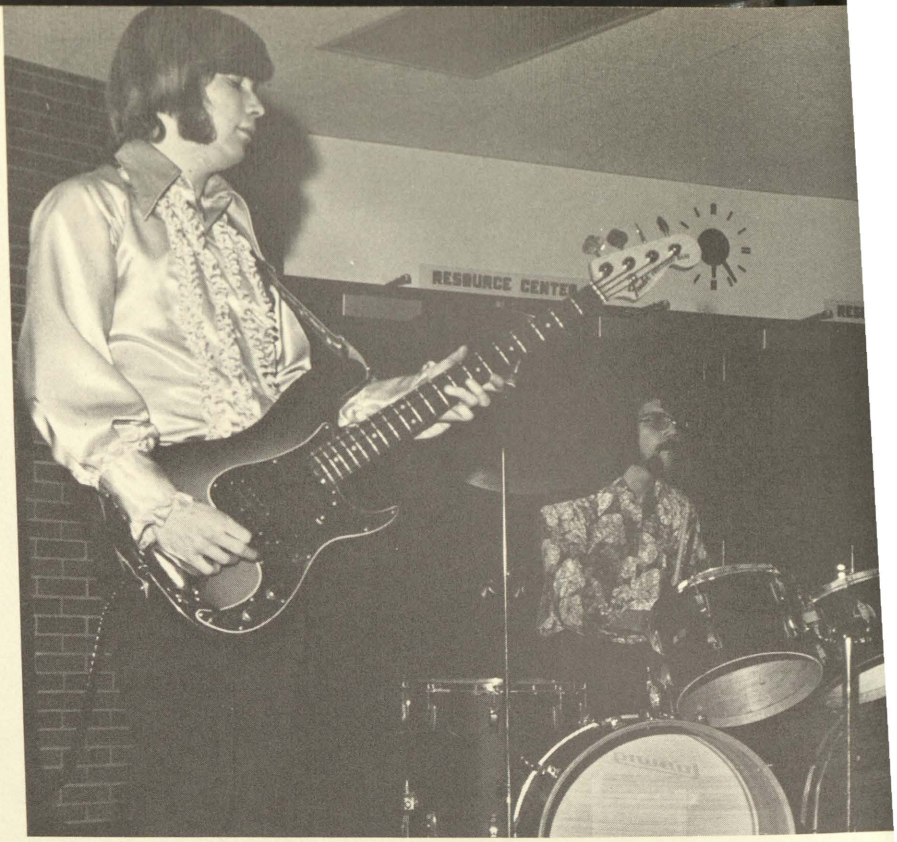


Publications

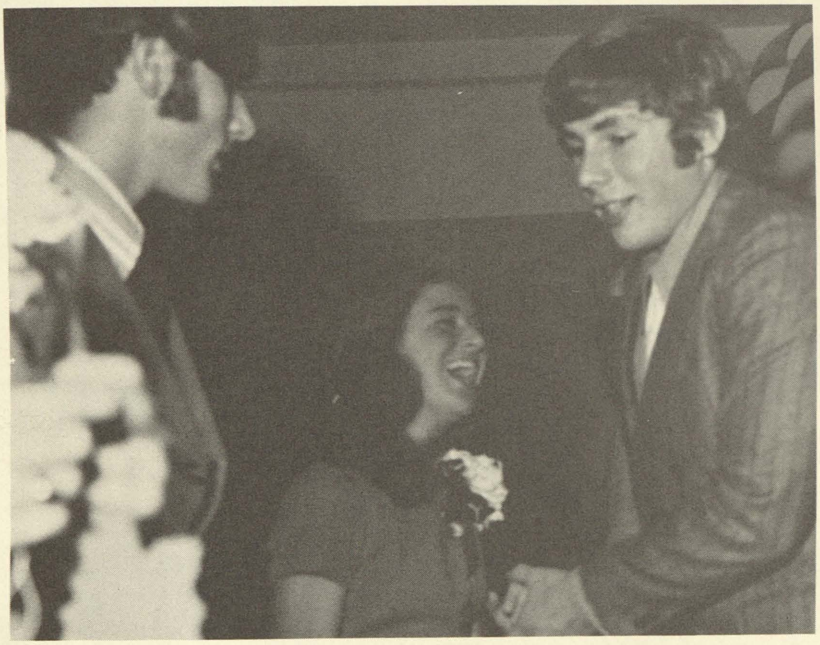
The Newspaper staff became the Publication staff after five months of production. The school newspaper, The Word, had been published every other week for five months when the students decided to do a literary production instead. This idea seemed to catch more of the Ike students' interest. Comics, poems, stories and art work were included. All money raising projects went into their production. Mr. Crane served as advisor, Kathy O'Dair editor, Donna Ulrich managing editor, Gretchen Fecter business manager, and Pat Kluck advertising manager.



Above left: Pat Kluck prepares her page for the next edition of The Word. Above: Mr. Crane is in the middle of questions about the publications deadline. Left: Kathy O'Dair and Gretchen Fechter work hard at the Varity typer headline machine.



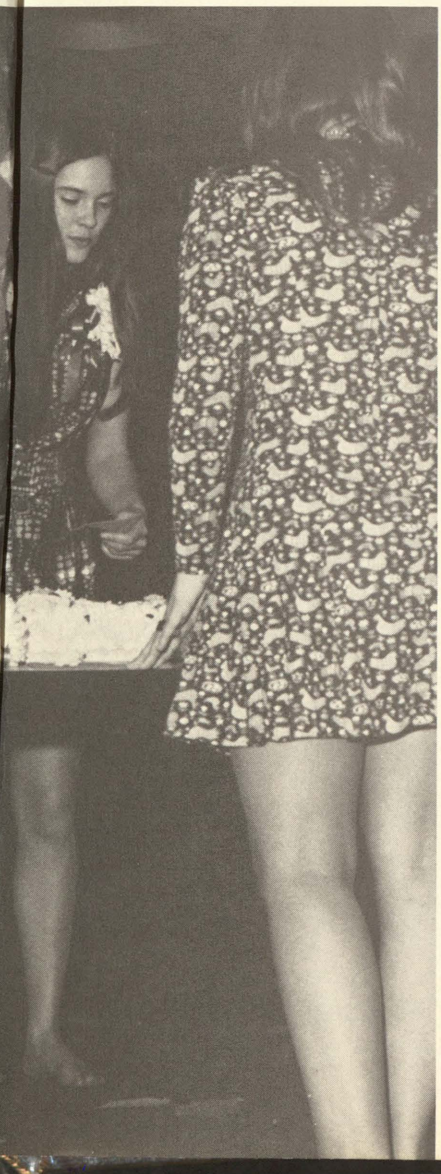
The Toledo Exit played a variety of soft and loud music setting the Student Center crowd dancing.

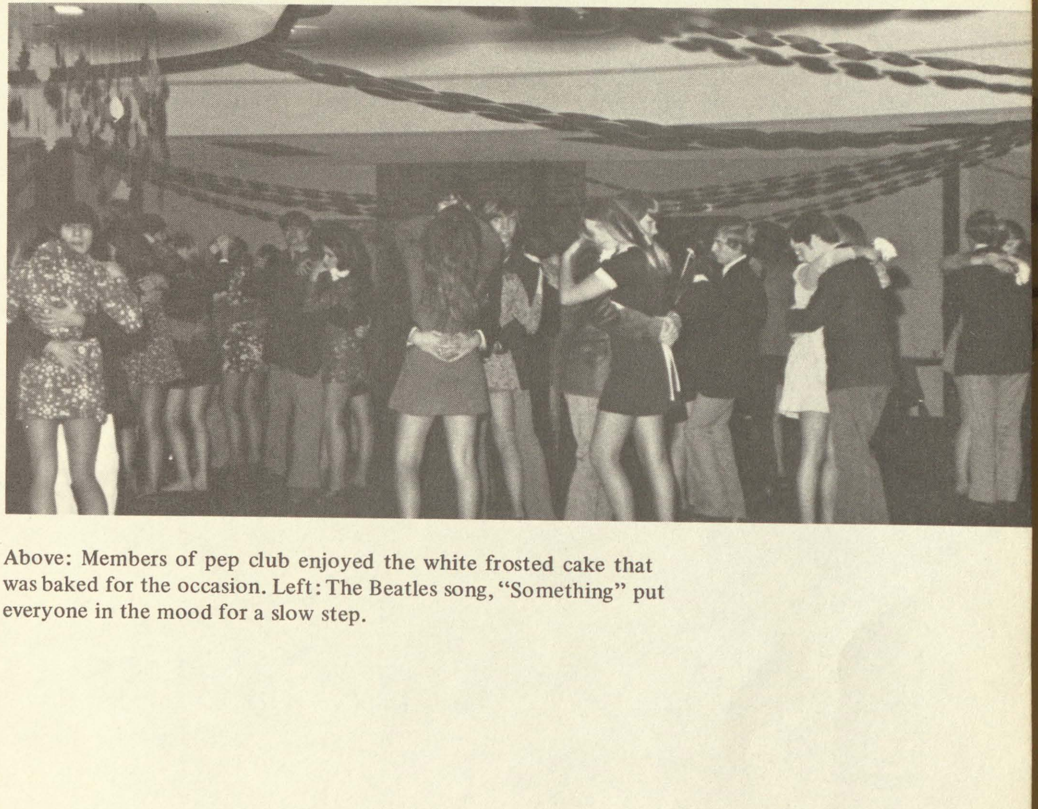


Cathy Anderson and Dan Himmelspach enjoy a good laugh in between dances.

Fall Fantasy a Reality

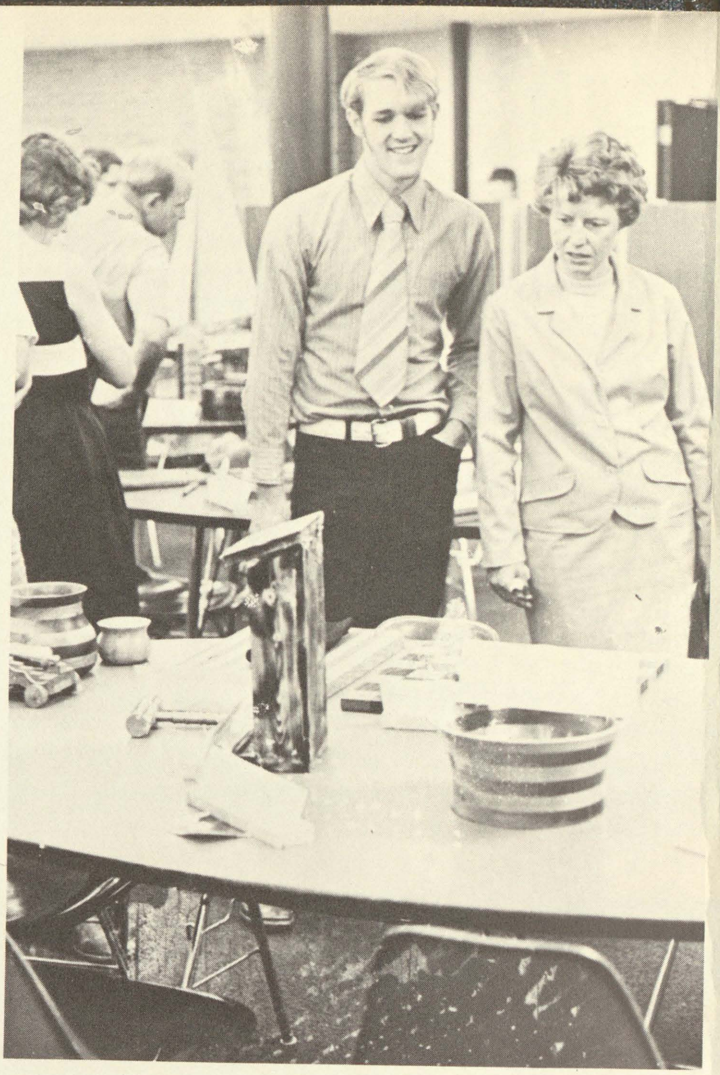
After the three week postponement because of the strike on December 11, 1971, "Fall Fantasy" finally became a true story. With the use of colored lights and suspended leaves, the Student Center was transformed into a vision of Autumn splendor. From 9:00 until 1:00 guests enjoyed music provided by the Toledo Exit. Pep Club designated semi-formal attire, and the change from blue jeans to neckties and corsages was welcome. Although the turnout was small, it was a delightful evening for all who attended.





Above: Members of pep club enjoyed the white frosted cake that was baked for the occasion. Left: The Beatles song, "Something" put everyone in the mood for a slow step.

Awards Given At Open House



A surprise award to Mr. Doane and Mr. Marvin for their efforts throughout the year highlighted Eisenhower's first Honors Open House held May 24 from 7:30 until 9:30 p.m. Students and their parents attended a short assembly honoring all those receiving recognition and then proceeded to visit various areas of the building where displays had been set up and presentations were being made. Over 700 students received recognition for various accomplishments throughout the year. Setting a precedent, the Honors Open House promises to be a much looked forward to annual event.

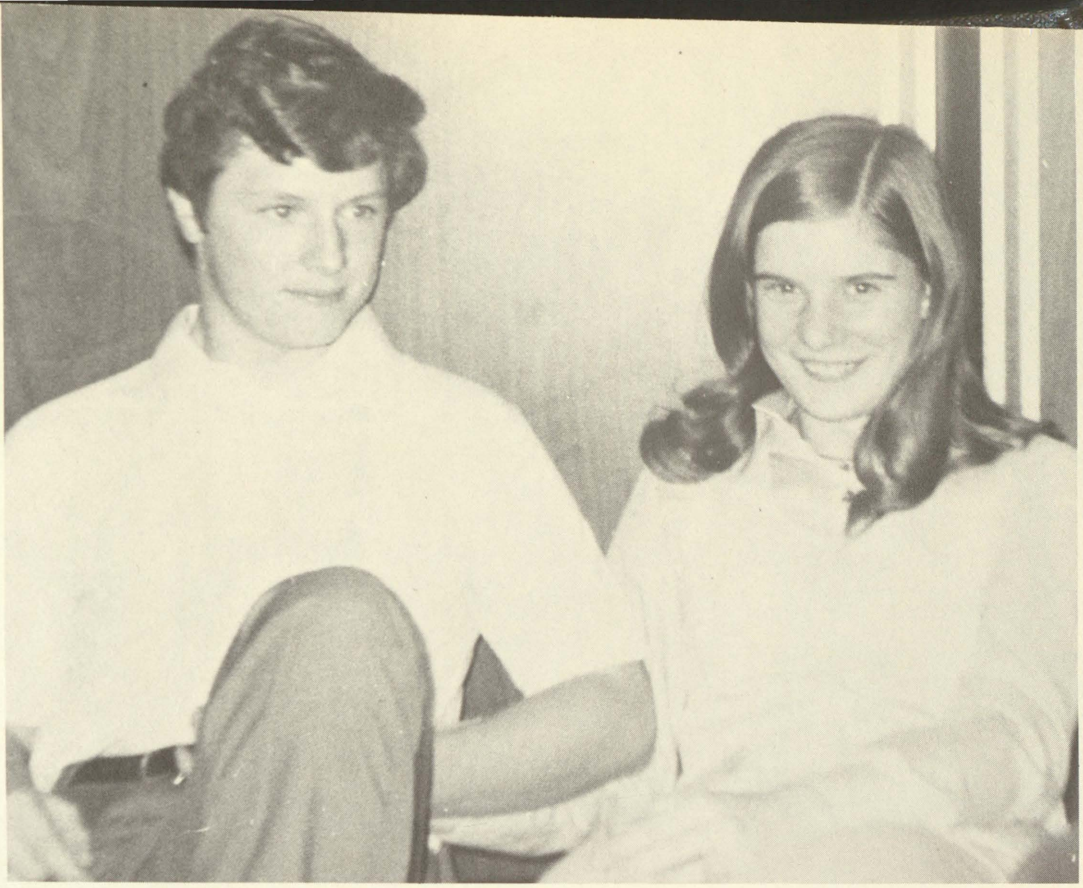
Juniors "Reach for the Stars"

Frilly lace dresses and suit coats and ties transformed high school students into ladies and gentlemen on June 10, 1972 as the class of '74 presented Junior Prom from 9:00 P.M. to 1:00 A.M. Students enjoyed a beautiful cake and refreshing chilled punch between sets played by the "Mystic Cycle". Shining silver stars and colored lights created the atmosphere for the theme "Reach for the Stars". A great success, the prom was attended by seventy-five couples. Bright smiles and glittering eyes testified to the fact that this was a night to remember.

LEFT: Kim Fournier and Cindy Schulta seem to be enjoying the music and each other.



The crowning of Mr. and Miss Leprechaun at the dance summed "Pride Week" up. Joni Hampson and Steve Corbett received the Honors.

"Keep Ike Clean— Save the School"

Posters, buttons, pom pons, and overall pride in Eisenhower on the part of the students, played an important part during "Pride Week," held from March 13-17. Because of a heavy snowfall, it was delayed one day, but enthusiasm did not fall. Events which took place were Head and Toe Day, Poster Day, Clean up day, and Green and White Day. Pride posters, made by numerous students, were displayed throughout the week. The theme "KEEP IKE CLEAN–SAVE THE SCHOOL", developed by Randy Bauknect, triumphantly succeeded in winning attraction from the student body. To round off an exciting week, Mr. and Miss Leprechaun, Joni Hampson and Steve Corbett, were crowned at the dance held in their honor on Friday, March 17.

Acting Fun

The 1971-72 theatrical season at Eisenhower went into full swing with the production of the children's play CLOWN PRINCE OF WANDERLUST, put on by the combined efforts of Eisenhower, Mackinaw, Chippewa, and Ottawa. The winter play was a moving interpretation of I REMEMBER MAMA. The springtime found lots of talent from all grades with the presentation of a festival of plays. The season closed with a chilling production of TWO BOTTLES OF RELISH.

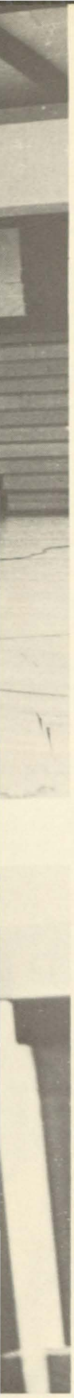
Variety in Assemblies

Variety was displayed in the assemblies at Eisenhower. Arousing pep assemblies were held before games. The spirit wheel played a big part in the individual class participation. Skits, team players, school forum members, and class officers were introduced. On a more serious note, Florie Fisher presented an inspiring program on drugs.



LEFT: Football players get in a different kind of performance at a pep assembly, acting in a skit. FAR LEFT: Sophomores try to prove that the SPIRIT wheel should be theirs. Winter Wonderland For Ike Skiers

Winter Wonderland turned into a reality this winter when Eisenhower formed it's first ski club. With no snow in Saginaw, the winter atmosphere was felt on the weekend trip to Caberfae. Showing responsibility and good judgement Eisenhower High School students went on another well-planned weekend to Traverse City. Accommodations were at the Park Place Hotel, skiing at Timberlee. Ski Club members sold boxes of candy and put on a dance to earn money for various trips. President of the Club was Gretchen Fechter, Vice-President—Sally Enzer, Secretary—Cathy Bise, and Treasurer Paula Carr.

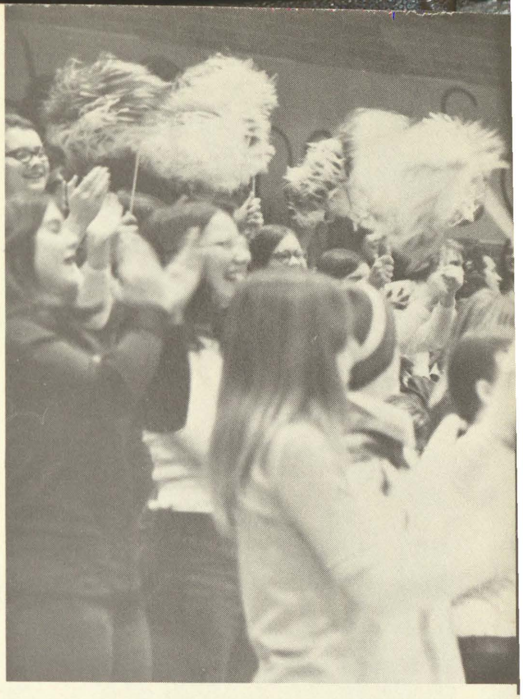
Creativity

Eisenhower art students this year have participated in a number of area art exhibits in Saginaw. A Tri-County High School Exhibit co-sponsored by Eisenhower and MacArthur was held at D.M.H.S. Eisenhower prize winners were Gary Ader and John Burrill. Jennie Bonk and Mary Watz were winners in the Saginaw Women's Club Exhibit held at the YWCA. Gary Ader and John Burrill were again winners in an exhibit held at the Saginaw Art Museum. Art Students are planning to operate a booth at the Saginaw Street Fair in the spring.



Ike Pride Amplified

Meetings being held every Wednesday provided Eisenhower Pep Club with an opportunity to develop their ideas for Pep buses, painting signs, organizing pep assemblies, sponsoring dances, and instigating Pride Week. Difficulties arose at the end of the first semester which resulted in the election of a president and a vice-president, presenting a change from the traditional co-chairmans. The officers for 1972 were: President–Joni Hampson, Vice-President–Brenda Keyser, Recording Secretary–Karin Lotz, Corresponding Secretary–Jill Anderson, Treasurer–Pam Willard. Collecting old newspaper articles that were written on DEHS, the Pep Club was happy to establish a scrap book for the Commanders, which will be carried on for many years to come. This scrapbook will be made available to the administration, faculty, and the students through the library.

Drama Club Excels

Drama Club worked hard with money raising projects such as plays, bake sales, and candy cane sales. The winter play production, "I Remember Mama" was a great success, due to the students' hard and loyal efforts. Miss Sowle did an astounding job with the students. They applied for membership in the National Thespian Society. Following the winter play, they produced the "One Act Festival" in the Spring for drama competitions. After all the time put in with their hard work Drama Club exhibited a Panhellenic Christmas Play for a service project. The officers for the 1971-1972 year were: President Donna Ulrich, Vice President Carol Laube, Secretary Judy McCliggott, and Treasurer Dawn Robinson.

Sea Nymphs Entertain

With practice beginning in December, Sea Nymphs kept busy all fall learning the various forms of water ballet. Tryouts for the water show were held in December and practices were intensified in preparation for their performance. Using costumes of their own creation, Sea Nymphs presented "Aquapations" May 4, 5, and 6. A tremendous success, the water show delighted young and old. President of the thirty-member club was Sue Birney, Vice President, Luanne Pieschke, Secretary-Treasurer, Carol Kershul.

Key Club Active In Community . . .

Key Club has been exceptionally busy this year with a pumpkin sale, candy cane sale, a Valentine dance, a canned goods sale, and a basketball game against D.M.H.S. plus other activities. Officers were: President—Jeff Sadlak, Vice-President—Harry Lum, Secretary—Gary Denslow, and Treasurer—Joe Piechott. The club is affiliated with Riverside, Downtown and Northwest Kiwanis Clubs, and is active in helping Eisenhower and the community in general.

A glass collection was one of Key Club's projects last year. Some of the Key Club members are caught by the camera while collecting glass. Many Key Club members become camera shy, L to R: Jeff Sadlak, Mr. Al Larson, Mark Oswald, Mike Rapphun, Jim Zehnder, Joe Piechotte, and Harry Lum.

IKE Band #1

Ike's band went all out to get it together during their first year at Eisenhower. They practiced long strenuous hours to achieve a No. 1 rating in the district festival. Struggling under the handicap of having no seniors and only a handful of juniors. Ike's band proved "its got what it takes" to meet and overcome the many problems of a first year band.

Debate Captured First

The Commanders earned a first place trophy in the Greater Flint Novice League of debate teams in their initial season of debate. Facing such teams as MacArthur, Saginaw High, Arthur Hill, Caro, Bay City Handy, Grand Blanc, and Frankenmuth, the debating Commanders finished the season with 14 wins and 4 losses.

Mrs. Brandon coached the young team with Mark Sylvester being the negative captain and Mike Putnam the affirmative captain. Other debaters were Randy Bohl, Tim Archangeli, Bev Coppinger, Mary Eshenburg, Cliff Harmer, Martin Kierdorf, Carol Laube, Judy McCliggott, Dawn Robinson, Cathy Shuler, Ross Anderson, Doug Haenlein, and Kevin Taylor.

The Eisenhower Commander debaters also participated in the Ann Arbor Huron Tournament, Wayne State University Tournament, and the Midland Bullock Creek High School Tournament.

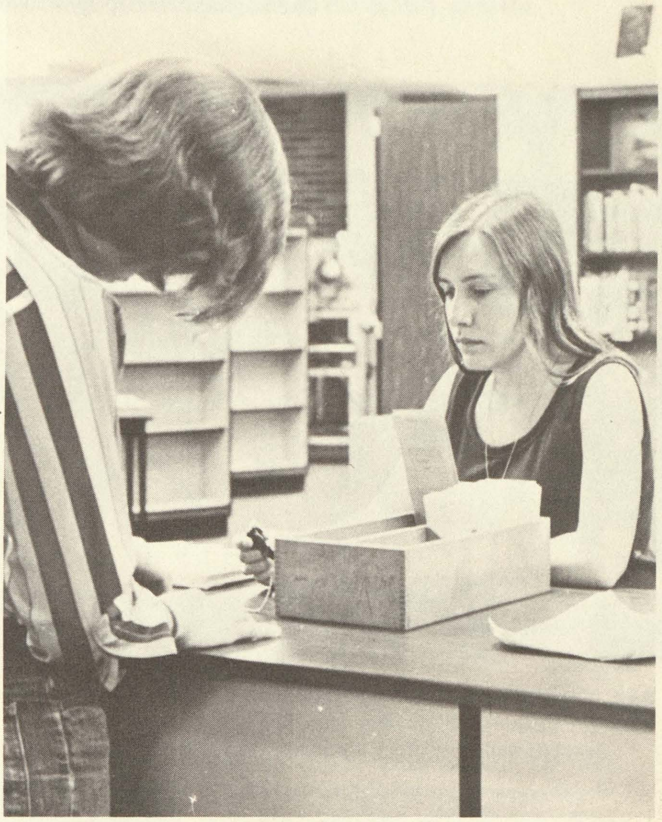
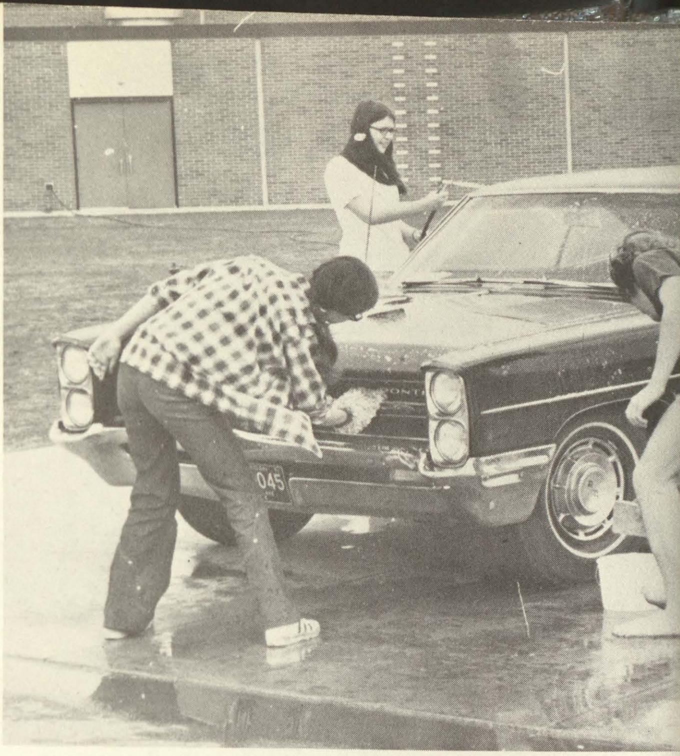
Books Galore

The books in the library doubled last year. With the new books there was a great need for library assistants. They had their jobs layed out for them. Every book had to be placed in just the right compartment. Pamphlet files were started with a new collection of college catalouges. The opening of the new satellite areas around the classrooms extended the ability to study. Time and patience, two important factors needed for library assisting, were gratefully displayed by the students who volunteered for this job.

ABOVE: Many hours were spent putting new books in the correct order.



ABOVE: Checking books out and in called for cooperation around the school. LEFT: The copy machine was a new addition to the library, providing a much-needed service to students and faculty alike.



Club Organizes

The first French Club at Eisenhower was organized soon after the year began. Many ideas were brought up, some were a reality this year, with more to come in the future. The club was sponsored by Mrs. Rozyla with Linda Zahn, President; Mary DiMecurio, Vice-President; Ann James, Secretary; and Bryan Johnson, Treasurer. The club worked hard raising money with bake sales in the student center and a car wash in the school parking lot. The money raised will go toward the future planned trip to Canada.

FAR ABOVE: French club members use a little elbow grease during a car wash. ABOVE: French club members take time out for a picture. RIGHT: French students viewed the Eiffel Tower first hand during a trip to France over Easter vacation.

Latin Club Begins

The Latin Club had difficulty organizing this year and functioning as a closely knit group. However, the club did sponsor a bake sale and enjoyed a trip to Cedar Point. Representing the group as President was Mark Gembarowski, Vice-President was Dave Wagner. Mrs. Rozyla was the faculty sponsor.

Española

Willing, active and eager members led the Spanish Club through a successful year. Fund raising events such as dances, car washes, bake sales and a rock concert, helped finance their needs. But field trips, Fiestas and banquets added enjoyable experiences. Sponsored by Mrs. Minard Spanish Club set a tradition which will be hard to follow.

Along with their sponsor Mrs. Buller, German Club members share the interest of learning and enjoying the German Culture.

German Interest

German Club was extremely active. On October 24th, they had an Oktoberfest and prepared an authentic German dinner for more than One-Hundred people. During basketball season the club sold buttons which added to the school spirit. They have had bake sales and then when spring came they had a car wash. Both added to their treasury. On May 12th they went to Frankenmuth for a field trip. Then to complete the year they used their money to take a one day trip to Cedar Point.

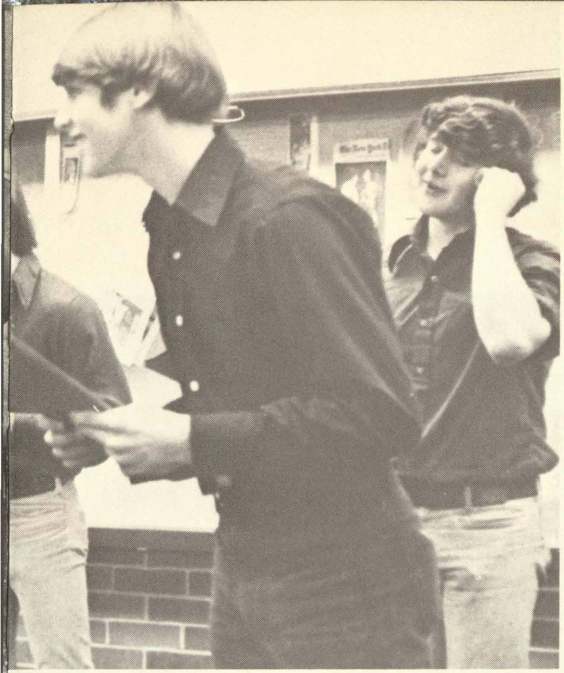
Forensics Ends First Season

Eisenhower's first Forensics season was a great success to say the least. Luanne Pieschke brought home a 5th place trophy from the state tournament for her storytelling event. Regional tournaments saw first and third place awards. Districts brought further recognition with seven first-place and four second-place ratings. Forensics also hosted the Eisenhower Invitational Tournament. Forensics students, coached by Mrs. Brandon, have much to be proud of for their contribution to the school.

ABOVE: The forensics class is all smiles while displaying two of their many trophies. RIGHT: District Tournament winners brought home fifteen first and second place awards.



Fun in the Snow

The purpose of the Snowmobile Club is for the promotion of safety and good sportsmanship of snowmobiling through the presentations of films and club discussions. The Snowmobile Club went on two weekend trips this year; one to Gladwin and the other to Clare.

Members prove how hearty they are with a club picture taken in the snow.

Smiling Faces Entertain

The pompon squads, making outstanding improvements throughout the year, were enthusiastically welcomed as half-time entertainment during athletic events. Through bake sales, a sweat shirt sale, a rummage sale, car washes, and dances, the varsity and JV squads earned money for uniforms and a trip to camp. Doing various types of routines throughout the year the girls gained experience and popularity through the coaching of Miss Bloomfield.

Commanders!

Sponsoring car washes, bake sales, window washes, dances and a stationery sale, the varsity cheerleading squad raised funds necessary for the purchase of uniforms, paper and paint, and a trip to camp. Participating in the International cheerleading Foundation at Champagnė, Illinois during the summer of 1971, our cheerleaders returned home with the grand championship award. Overall, the year was a great success for the varsity squad.

Spirit!

On the first Saturday after classes began in September, Cheerleading tryouts were held in Eisenhower's Gym. Shaking knees, and twitching voices gave away the nervousness of each and every girl. The squads were finally selected and cheerleading responsibilities began for six frosh girls.

The J.V. squad had a busy year working on various money raising projects to buy their uniforms, and to work their way to camp clinic this summer. They sold stationery, had car washes, bake sales and dances. With the hard work they helped raise the spirit with their enthusiasm for Eisenhower.

Varsity Shows Determination

Opening the season with a victory over Pinconning, the Commanders finished the season with 1 win, 7 losses and 1 tie, they never lost their spirit. They fought to the very end of the season when they tied Buena Vista with a score of 14-14.

Training began in the late summer for the Commanders under the coaching of Mr. Fenton, Mr. Mikolajczak and Mr. Tutera. The boys could be seen practicing once a day in the summer and this was increased to twice a day in the Fall.

The field was not ready for the first home game but by the second home game the field was ready and waiting for the Commanders.

Enthusiasm

Onward, to bigger and better goals, the Junior Varsity Football team finished their opening season with three wins and four losses. Coaching and assisting the team were Mr. Pugh and Mr. Ryan. Leading scorers were Mark Symkoviak, Carl Motzgei, Garth LaPlante, and Dennis Lawrence, with Matt Peterson, Mike O'Brien, Eddie Rodriquez, Mike Rappuhn, and the rest of the players, adding great efforts. Participating in many hours of hard, tough practice, the J.V.'s enthusiasm never ceased.

The Beginning

In their first season the Eisenhower freshman football team posted a 1-4-2 record. Although they only won one game, they did score a tie with MacArthur. Their only win came against Bridgeport with a score of 26-14.

The leading scorers for the team were: Rick Swoverland with 28 points, Jim Mulholland with 22, Mike LeBlanc with 20, and Brock Rupp and Harley Martin with 6 each. The freshman will be working hard beginning the middle of August and are looking forward to a good J.V. season next year.

Golf Team Takes 4th in W.P.C.

Finishing the season with nine wins and two losses, the varsity golf team went on to place fourth in the White Pine Conference, second in the class B Regionals at Cadillac, and sixteenth in the class B State Final at Brighton. Special awards were given to, Steve Corbett—most dependable player, Mark Feinauer—most improved, Dan Benac—most sensational round with a 71, and Mike Sletten—best individual effort and fourth place in the White Pine Conference. Success

The Commanders closed their initial Cross Country season with an overall record of 57 wins and 16 losses. Placing second in the White Pine Conference at Buena Vista, the Commanders proved themselves a threat to their opponents. In the Saginaw County Conference, the Commanders were seen finishing third, while in the Region XI Class B. Championship they were able to finish fifth out of 20 teams.

Kevin Taylor finished eighth in the Regional Number XI Cross Country run Class B, qualifying with a time of 13:41 for State where he finished 52nd.

During the summer months the Cross Country team members built a course at Imermann Park where a tradition of a strong and competent Cross Country team for the Commanders was established.

Our first varsity basketball team, made up of Juniors and Sophomores found its more seasoned opponents tough. Coached by Mr. Berg, the team had a season record of 1-16. The strong competition and lack of size were major factors against us. The great teamwork and determination enabled our team to surprise our competitors and kept us in the game. How much can we ask for? We've made our beginning to the maximum of our ability. We will go on and build from there. Dan Himmelspach made honorable mention in the White Pine Conference.

J.V.'s Lack Size. . . But Show Desire

The J.V. basketball team displayed desire and eagerness in their playing. The team was made up of all Sophomores. But with only one boy reaching the six-foot mark, the team lacked size. Their other tender spot was the shortage of team shooting ability. They closed the season with a disappointing 1-15 record. The coach Mr. Fenton is looking forward to next year with desire and a little more size and shooting ability.

Freshmen Team Proves Promising

Struggling to obtain an undefeated season record, the Freshman basketball team completed the year with a record of nine wins and seven losses. Coached by Mr. Dulac, and working together for their first year, the Frosh team ended with an amazing record. The combination of time and effort will hopefully lead the Commanders to a successful J.V. year.

Swimmers Place 7th in State Meet

Eisenhower swimmers, consisting mostly of Sophomores, had a good showing again this year in Class B. Concluding the season with 9 wins and 5 loses, the team took a 7th at the state meet. They never stopped pulling a little harder or kicking a little stronger. Their determination paid off when some outstanding state meet performances were made. The 400 medley relay consisting of Dan Evon, Brad Houlihan, Frank Snyder and Ted Cleveland took a second place. The 200 medley relay consisting of Carter Pohlman, Dave Breithaupt, Brad Houlihan and Ted Cleveland placed 4th. The single winners were Dan Evon, Frank Synder, Roy Baldwin, Dave Breithaupt and Jim Slack. The early morning and afternoon practices befriended the young team just as the coach Mr. Decker knew it would.

Muscle Power Pays

This year was a depressing one for Ike in the won-loss column of wrestling. The varsity has a 0-15 record. This year was used to gain experience from other teams. The varsity's closest match was a 26-23 loss to Bridgeport. The high point scorers for Ike were John Tinney 32, Bill Taylor 24, Dennis Lawrence 23, and Brad Menary 15. Bill Taylor was the man to keep the matches from ending scoreless for Ike. Dennis Lawrence missed part of the season with injuries. The J.V.'s had a 5-10 season, defeating Bridgeport and Buena Vist twice each and Pinconning once. The top J.V. wrestlers were Mark Oswald, Mike Rappuhn, and Mike Whelton.

Teamwork Successful

Eisenhower's Baseball team was a high flying hit this year. They threw all they had into making it a good season. They took 10 wins and had 7 losses. Paul Horwath was our leading hitter with an average of 333. Bob Standnika, our top pitcher, pitched 631/3 innings, with 6 wins and 3 losses, striking out 115 batters, with an E.R.A. of 0.66. A no-hitter was pitched against MacArthur by Mike Gnatkowski. All Conference selections were: 1st team–Bob Stadnika (Pitcher), 2nd team–Dave Havercroft (Catcher) and Paul Horwath (Outfield). Honorable Mention–Mike Gnatkowski (Pitcher).

First row, l.-r.: Brain Meteger, Doug Haenline, Dave Havercroft, Tim Scultz, Randy Sylvester. 2nd row: Joel Mainprize, Bob Stadnika, Jack Flathau, Matt Peterson, Steve Winchester. 3rd row: Coach Lou Dulac, Rick Swoverland, Mike Murphy, Jim Schmitt, Sue Johnson, Statistician, Dave Radina, Paul Horwath, Mike Gnatkowski. Missing–Mike Putman and Rick French.

Arch Rival Eliminated

The Eisenhower J.V. Commanders ended their season on an unhappy note having a conference game against John Glenn cancelled by inclement weather, however the team finished with a 7-6 record, including a 5-4 record in the tough White Pine Conference. The J.V. Commanders were led in pitching by Mike Kocks and Dave Boers, each of whom won 2 games this season. The slugging leaders were Mark Gembarowski and Jim Mulholland whom hit above 320 for the season. The J.V. commanders only let down of the season was a double loss against Mt. Pleasant at Mt. Pleasant that ended their hopes for winning the White Pine J.V. crown. The 5-4 league record included two wins over arch rival Douglas MacArthur both times they met.

Varsity Tennis

The season record this year was 7-6, for the varsity tennis team. Dan Himmelspach and Dick Carroll reached the semi-finals of the White Pine Conference. With this, the team took fourth place in the W.P.C. The captain and most valuable player was Dan Himmelspach. He also was number one in the singles. The Teams enthusiasm this year towards their matches, will go on to prove next year how great they are.

J.V.'s Eager

This year Eisenhower's J.V. tennis team encountered four challenging tennis matches. Even though their season record, which was 0-4 wasn't exactly impressing, they gained valuable experience and show great potential for the next season.

Front row, left to right: Leon Mead, Terry Geer, Rich Singer, Greg Ruppel, Dave Hollis, Tom Walworth, Tim Archangeli, Mitch Beiser, Coach Bill Stocker. Second row: John Lawrence, Brian Pahssen, Jim Parrish, Mike Bierlien.

Track Involves Many

Eisenhower's 1972 track record was somewhat disappointing. The Commanders were victorious in two meets, one against St. Stephen's, 57 to 39, the other against Beuna Vista, 64 to 59. However, the season was not totally without value as the participants gained experience through practice and competition. On that basis, the track team eagerly looks forward to next year and a better performance.

Girls' Sports Popular

Difficulties in finding places to practice delayed the start of the varsity and JV girls' basketball team seasons. This postponement, however, did not greatly affect the overall achievements, as both squads, coached by Mrs. Black, attained records of 2 wins and 4 losses. Running only 5 meets this season, the girls track team raced to a historical record of 2 wins, 2 losses, and one tie against Douglas MacArthur. Coached by Mrs. Brown and Mrs. Dancik, the girls spent long hours of hard work getting in shape. Ending the year with a record of 0 wins and 6 losses, the girls softball team met a variety of experiences and challenges. Although their season was not highly productive, the girls learned a great deal through the coaching of Mrs. Black.

It's All in the State of Mind

If you think you are beaten, you are;
If you think you dare not, you don't;
If you want to win but you think you can't,
It's almost a cinch you won't.
If you think you'll lose, you're lost;
For in the world we find
Success begins with a fellow's will,
It's all in the state of mind.

For many a race is lost
Ere even a step is run,
And many a coward fails;
Think big and your deeds will grow,
Think small and you'll fall behind;
Think that you can and you will—
It's all in the state of mind.

If you think you're outclassed, you are,
You've got to think high to rise,
You've got to be sure of yourself before
You can ever win the prize.
Life's battles don't always go
To the stronger or faster man,
But sooner or later the man who wins,
IS THE FELLOW WHO THINKS HE CAN.

Electing a Sophomore Council was slow in the beginning. Officers were (pictured left) Treasurer, Matt Peterson; President, Scott Strattard; Vice President, Mike Rupp; Secretary, Sue Pierce. Council members were (pictured below) Pam Johnson, Roy Baldwin, Mark Symkowiak, Dave Havercroft, Ted Cleveland, Garth LaPlante, Vicki Flathau, Terri Jamrog, Bev Hampson, and (pictured far below) Cathy Anderson, Matt Peterson, Carl Metzger, Mike Rupp, Linda Adsit, Sue Pierce, Janice Mang, Scott Strattard. School Board of '72

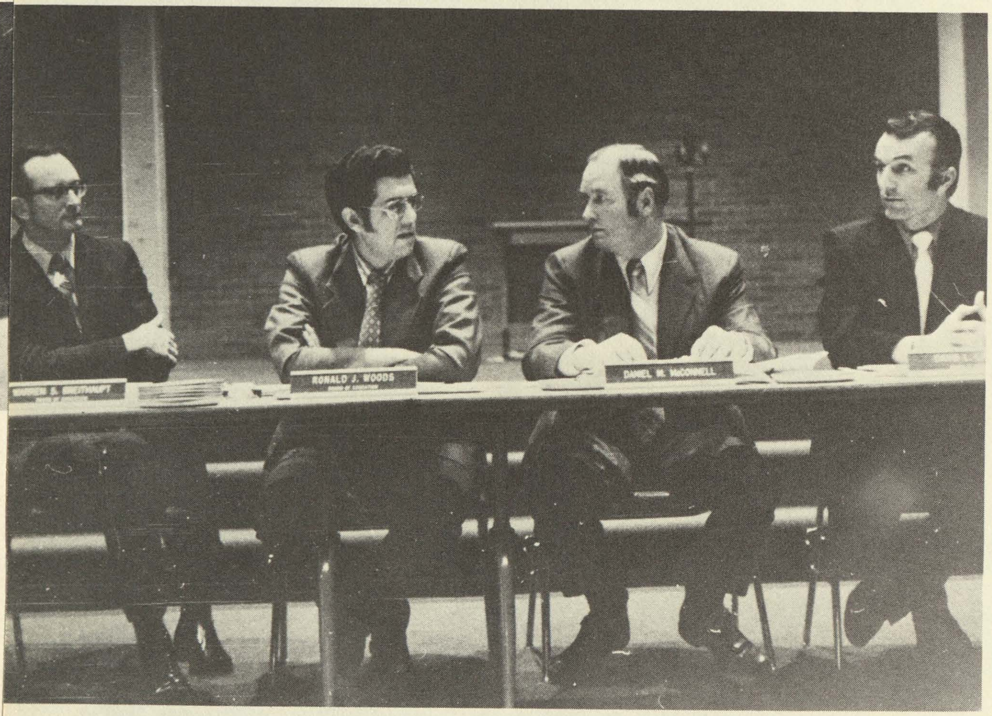
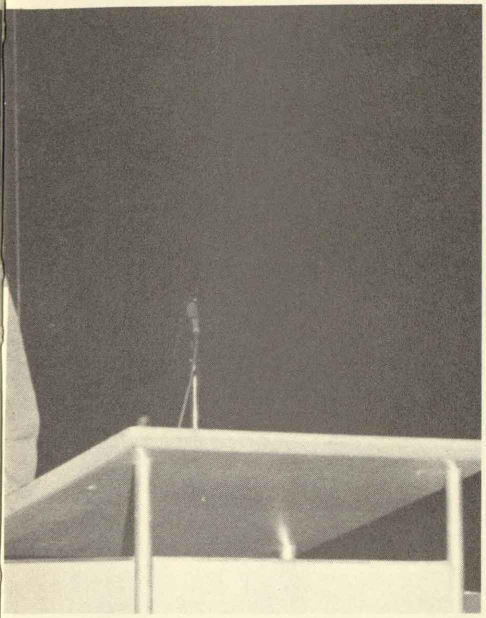
It is indeed a pleasure and an honor to be part of the first publication of the INTROSPECTUS. There will be many more, but there will be only one first edition. We know this will also apply to our first graduates of Eisenhower High School. Being first means that you have the duty and privilege of setting the standards for the classes that follow, as this yearbook will be for all yearbooks in the future.

The past year and one-half has been unique and exciting for all students and staff of Eisenhower High School—a new school and new programs which will provide lasting memories.

Dan McConnell
Superintendent of Schools



Saginaw Township's, School Board members, Left to right: Mr. Breithaupt, Mr. Woods, President, Mr. McConnell, Superintendent, and Mr. Lepper. Missing from the picture are Mrs. McLeod, Mrs. Johnson, Mr. Boers, Mr. Clark, Mr. Hinkin, Mr. Klein.



Administrators Direct Learning

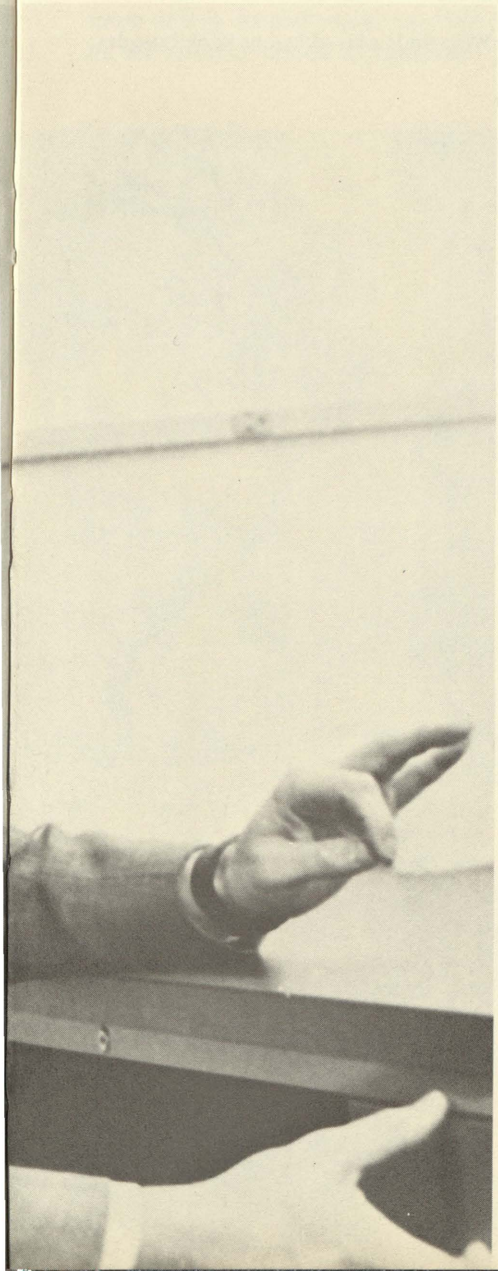
Being new to Eisenhower this year, I was hopeful I could make some positive and worthy contributions to the school. The year, I knew, would be challenging and somewhat frustrating. As I look back over the year, I feel it has been most fruitful to myself and all concerned.

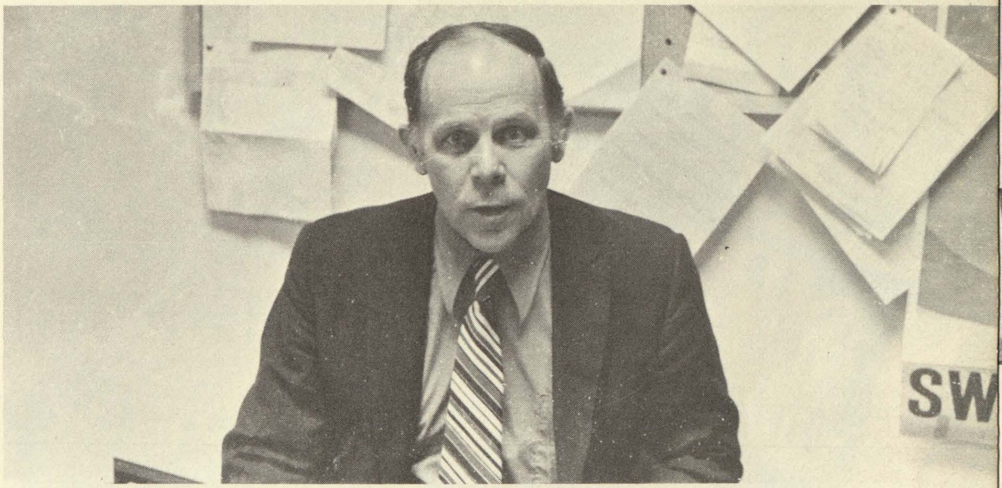
Any educator's work is hard to evaluate and can only be measured in long-term results. The rewards come when you see former students mature and take their places as responsible adult citizens in society. The student of today has a much greater chance to show this maturity and responsibility because of the legal status of the 18-year-old. High Schools are faced with the task of preparing these individuals to take on the added responsibilities of adulthood.

Hopefully I have contributed somewhat toward these ends. I firmly believe that a value system and the ability to make right and wrong decisions are a vital part of education and I will strive to attain these goals.

I have enjoyed my stay at Eisenhower thus far and hope the years ahead will prove just as stimulating and rewarding.

Mr. Marvin





Eisenhower is people.

Granted, we have the finest of facilities and equipment. What we have is new and colorful; perhaps we are "one of a kind", but all of this is nothing without people. The athletics, intramurals, clubs, and dances that we have are worth nothing without people.

Eisenhower is people.

Kids are people; teachers are people; custodians and cooks are people; even administrators are people. Each of us is Eisenhower; all of us are Eisenhower.

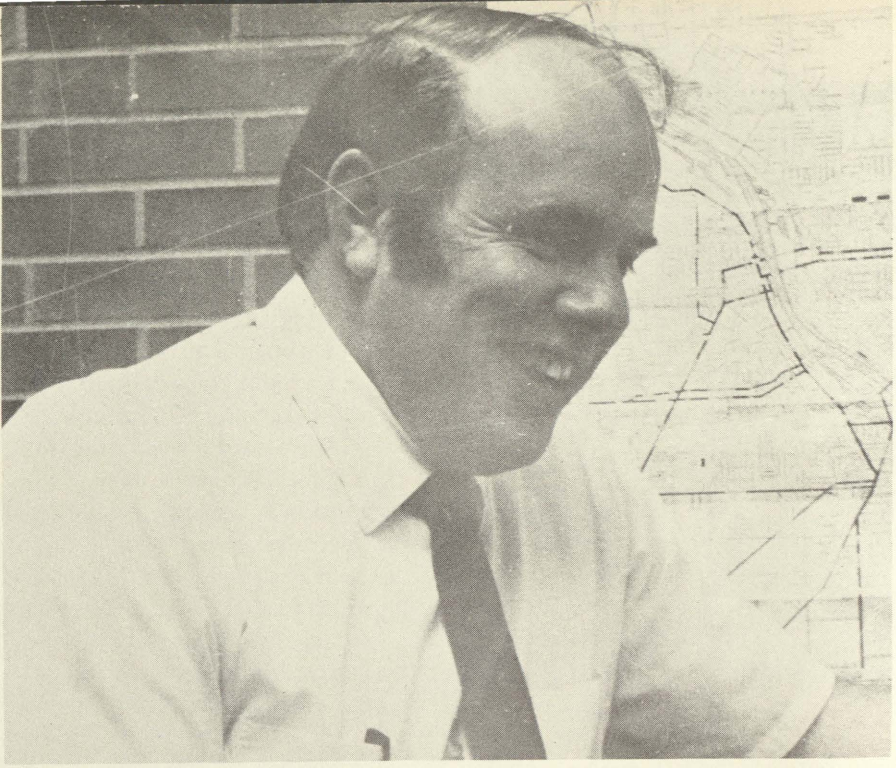
Eisenhower is people.

Mr. Doane

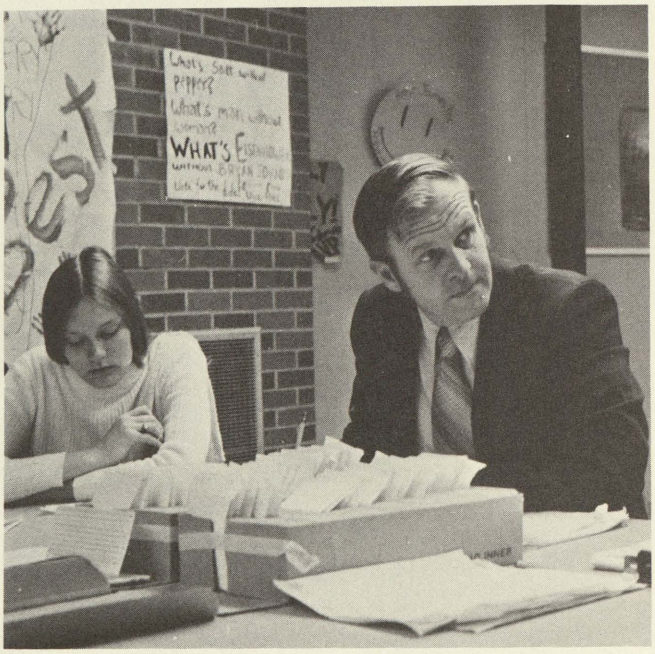
Counselors

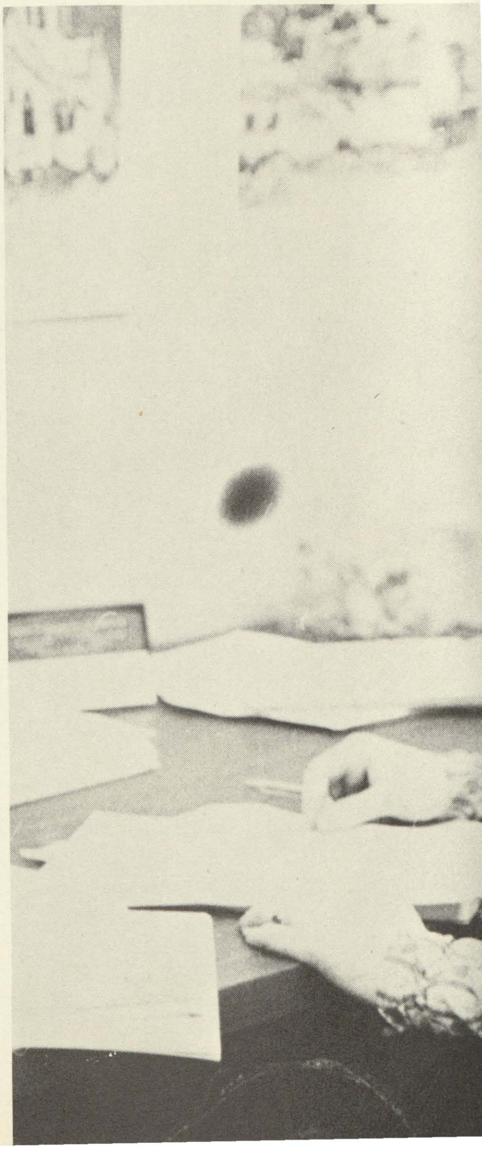
Where would Eisenhower students be without the guidance and friendly advice of the counselors? Although constantly on the go, they are, nevertheless, always ready to listen to anyone who seeks help.

In addition to these "routine" tasks, the counselors help arrange Classes every ten weeks seeing that each student has made the proper selection. Understanding and concern—the counselors are a vital part of Eisenhower.



Mr. Wells finds a bit of humor in his long day.



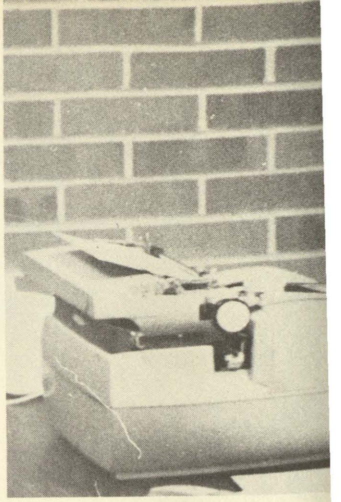


Mr. Mike helps a student straighten out her schedule. Eisenhower's new counselor, Mrs. Leavenworth, takes time out to get her picture taken.

Resource Center Expands

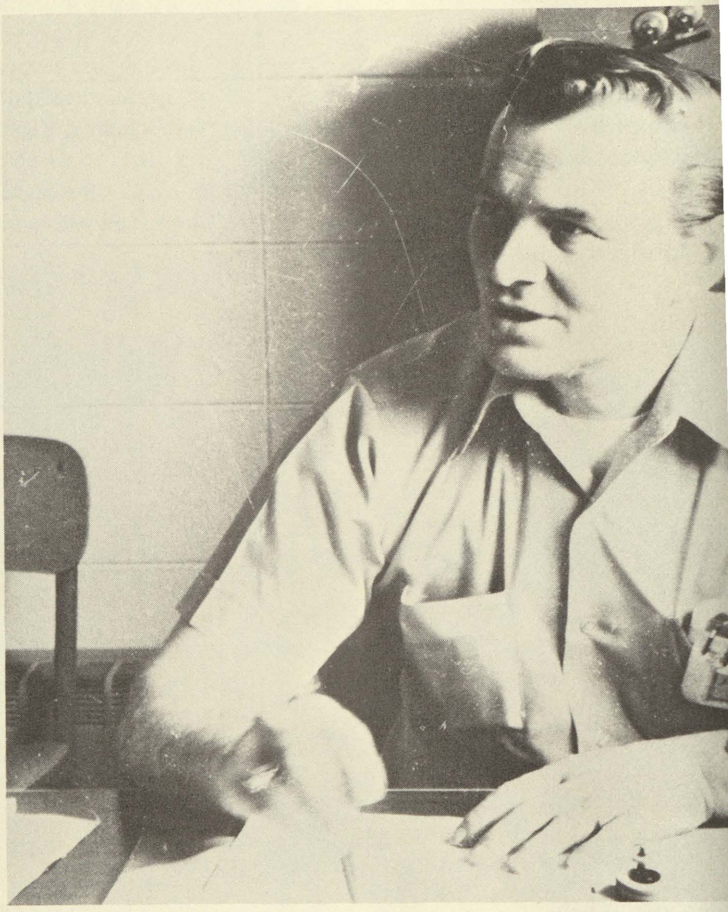
Since school started in the fall, Eisenhower's library has been progressing very well. It has a new pamphlet file, college catalog files, music records, and, of course, they have many new books. Right now they are in the midst of putting in more orders. As new materials come in, the resource center will provide a place for students to research various class assignments or just browse through the hundreds of books and magazines available for their leisure-time reading. Centrally located, it promises to be a very active place, enriching the opportunities for learning for all who wish to seek it.

Miss Ludgin orders new books for the educational purposes of Eisenhower's students.

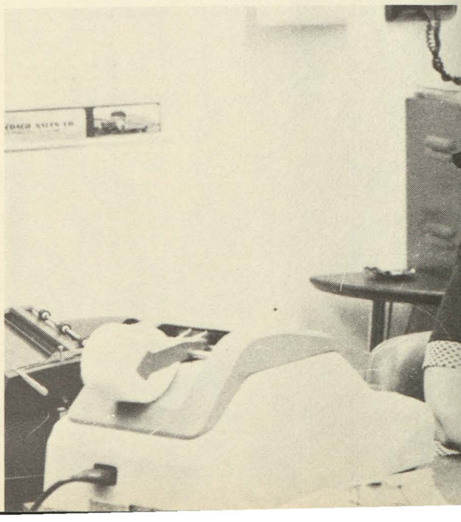


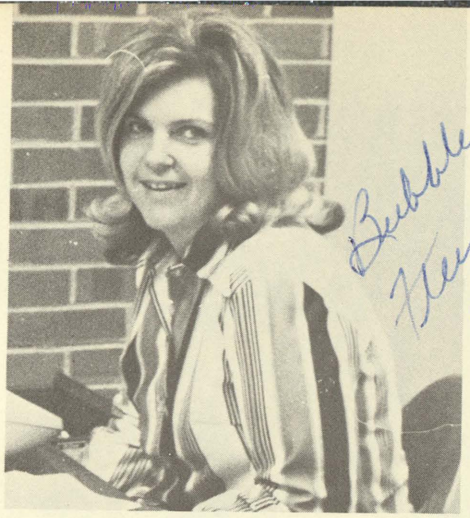
Helping Hands Always Busy

Eisenhower could never exist without our great cooks and custodians. Our cooks are busy everyday preparing our lunches for over one thousand students and faculty. Just as busy, the custodians are always on the go picking up after students, cleaning "house" and generally keeping Eisenhower in tip-top condition.

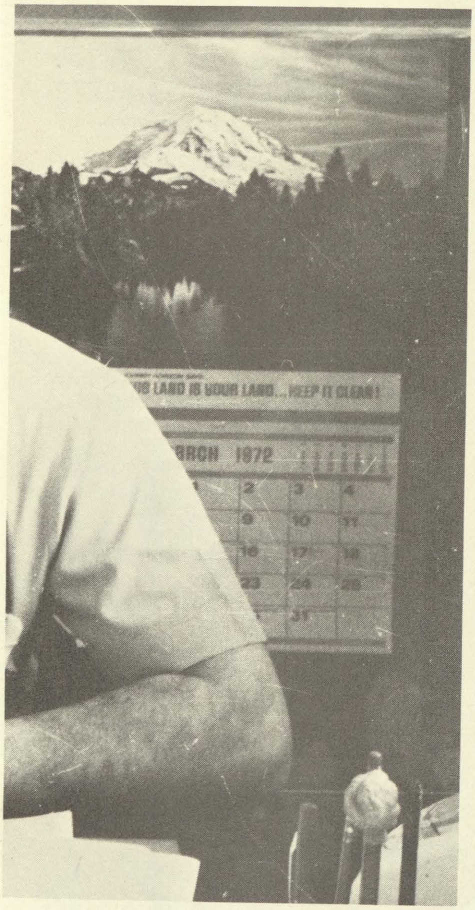


ABOVE: The cooks steadily work; especially during the rushed noon hour. RIGHT: Mr. Merkiel; the head custodian, points out a list of instructions to one of his workers.





LEFT: Mrs. Fleener, the Commons and Student Center aid, calmly checks the unexcused list.



Office Life Hectic

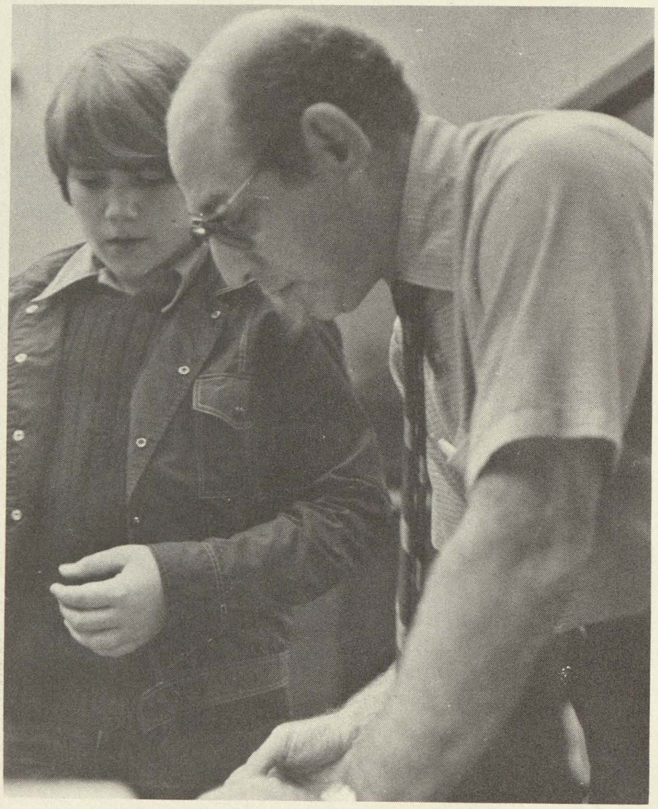
Eisenhower was fortunate to have such fine secretaries as it had this past year. They were very efficient and accurate even though the activity and confusion in the main office often disrupted daily routine. Without their help, Eisenhower would have surely found itself in many inescapable dilemmas.

ABOVE: One of Eisenhower's main office secretaries, Mrs. Wayman, notices the camera. LEFT: Another one of Eisenhower's fine secretaries Mrs. Brechtelsbauer, pauses during a trying day.

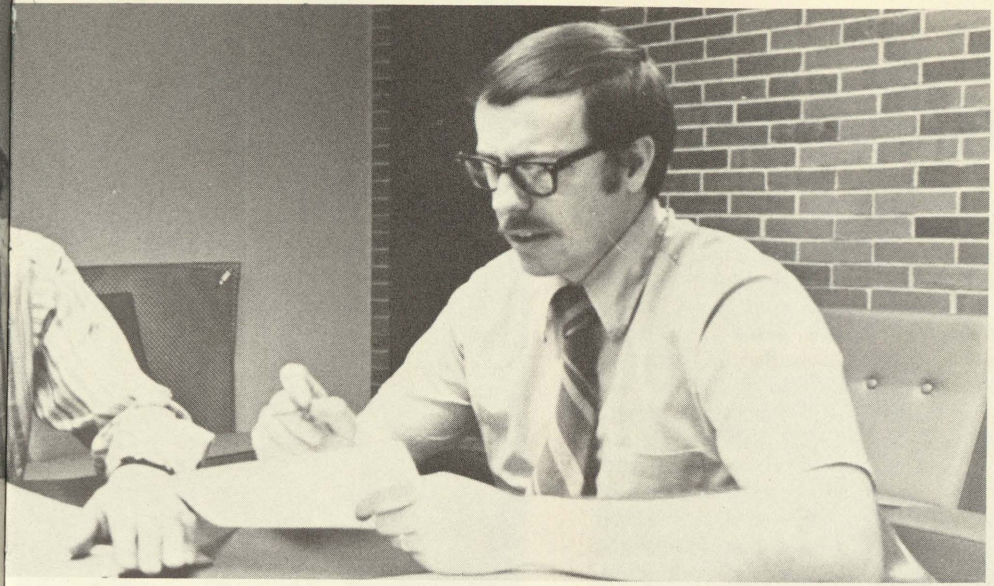
The Idea of Individualism

This is the first year of Comparative Religion. One of the more exciting activities they participated in was to visit the only Buddhist temple in Michigan, which is located in Bridgeport.

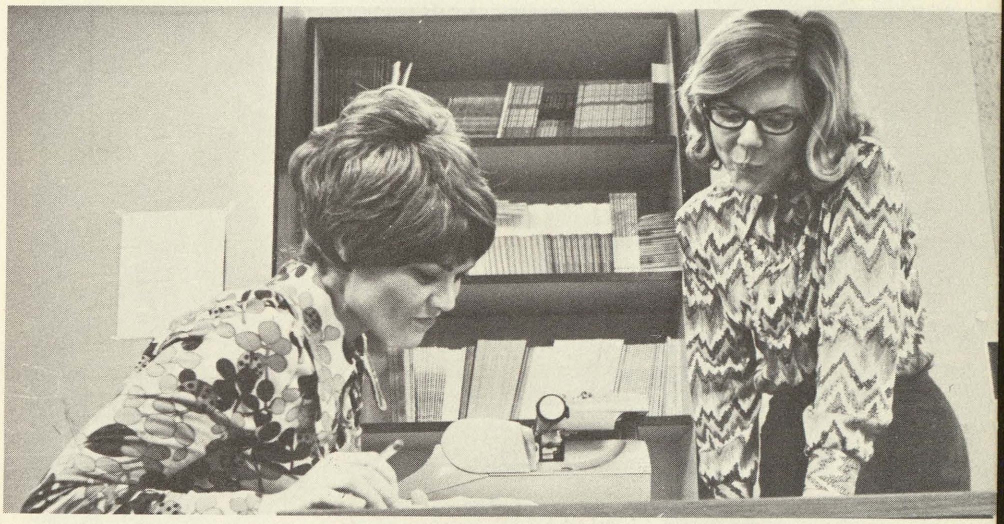
This year many of the social studies classes are based on the idea of individualism. Most teachers feel this is very important.



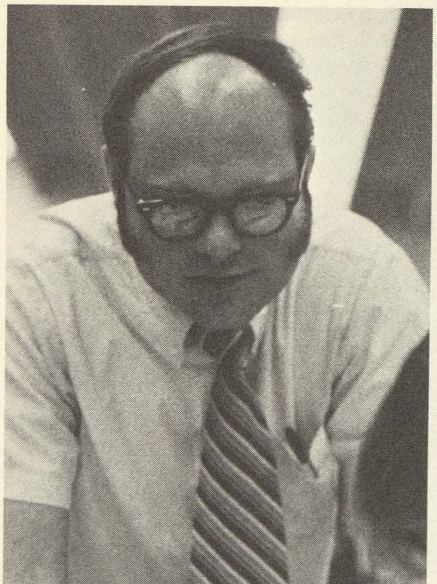
ABOVE: Mr. Tutera, Careers, World Problems, and Ancient Civilizations. RIGHT: Mr. Wenzel, U.S. History I and II, and Africa and Mrs. Oberschmidt, Asia, Michigan, Introduction to Social Science.



FAR LEFT: Mr. Larsen, U.S. History, Civil War and Reconstruction, Habitat and Resource. Next to him is Mr. Douglas; Comparative Religion, American and Social History.

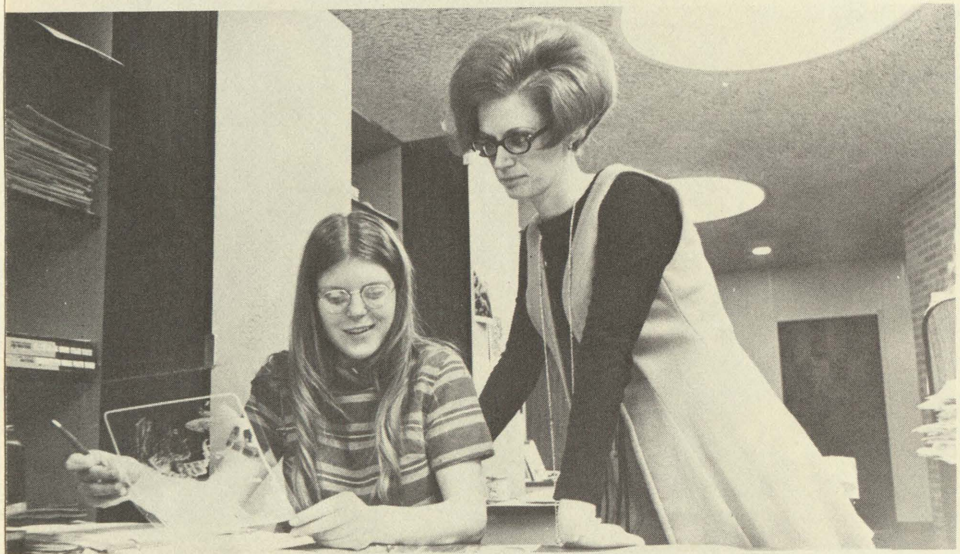


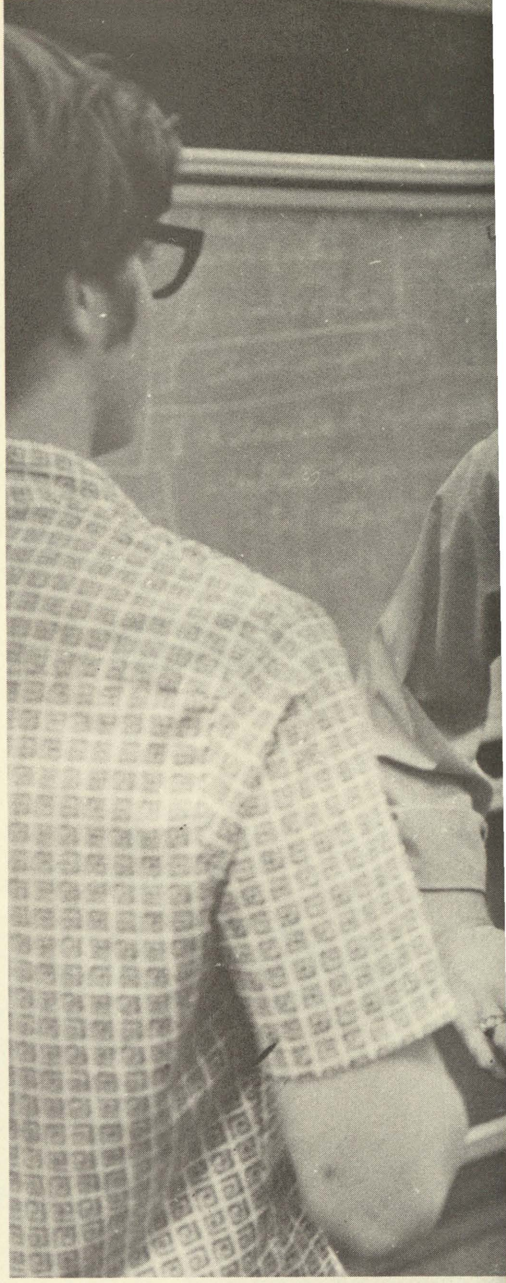
ABOVE: Mrs. Brown, Michigan, Europe and Social Studies I and II. LEFT: Mr. Teal Early Man, Modern Man and Introduction to Social Studies.

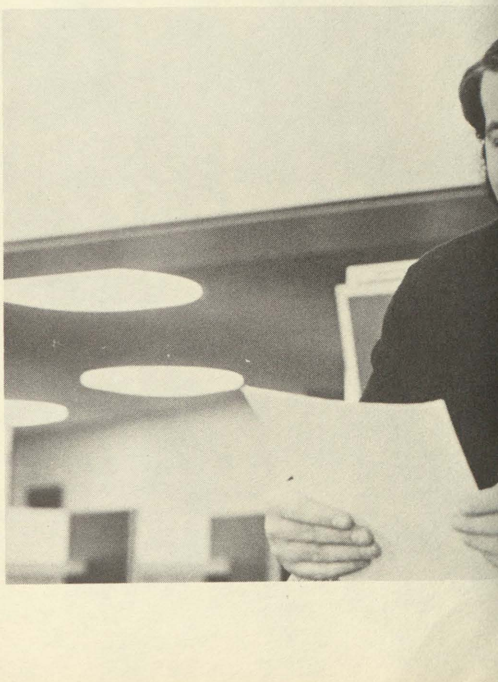


Active? Yes!

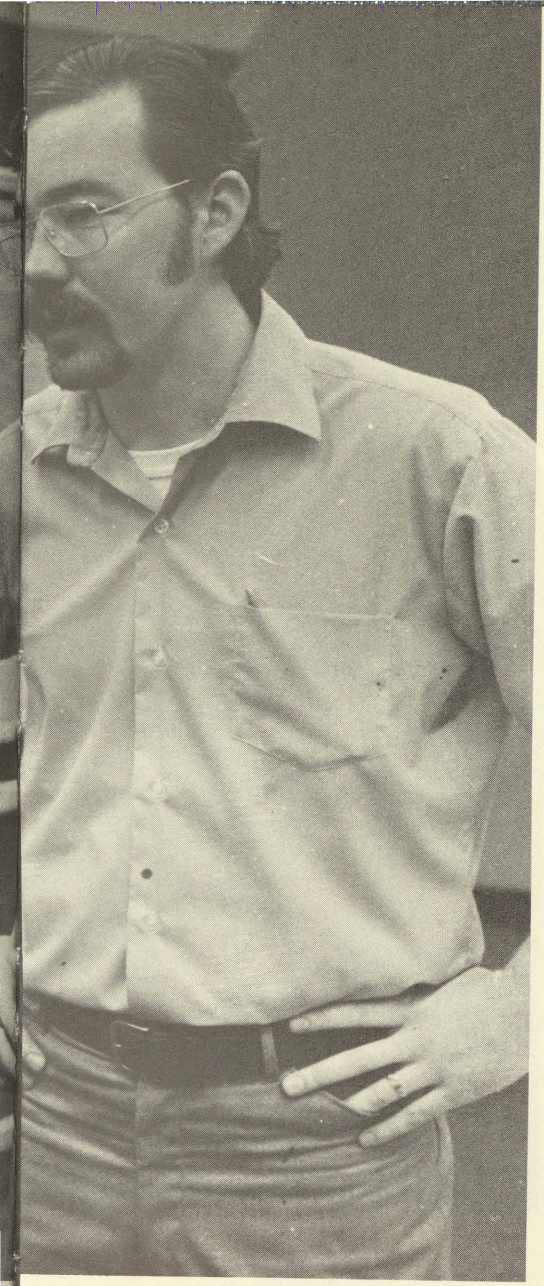
This year the English Department has been one of the most active departments incorporating field trips into their curriculum. Mr. Rosson's, Miss Bloomfield's and Mrs. Bommer's 19th century literature classes went to see "Gone with the Wind" at the Temple Theatre. Some of the other English classes journeyed to Meadow Brook Theatre in Rochester, Michigan to see THE GLASS MENAGERIE, a play by Tennessee Williams. Future plans include field trips to see the two plays THE ODD COUPLE and A DOLL HOUSE. Regular classroom work is not ignored, however, and the department offers a great variety of courses from which the students can choose to fulfill their requirements. A diversity of classes and activities—the English area is a challenging, interesting, place to learn.



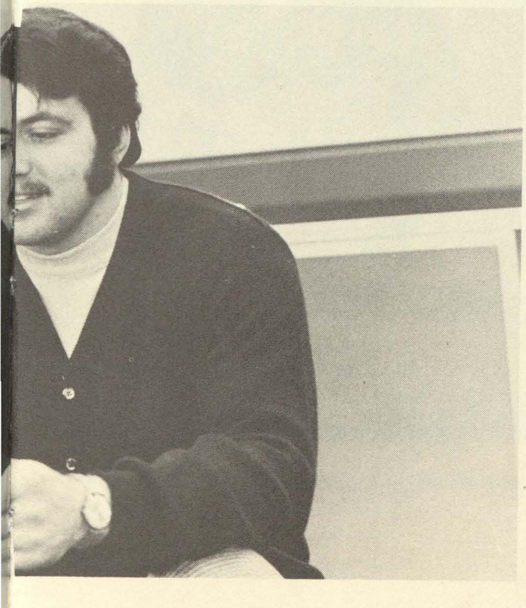


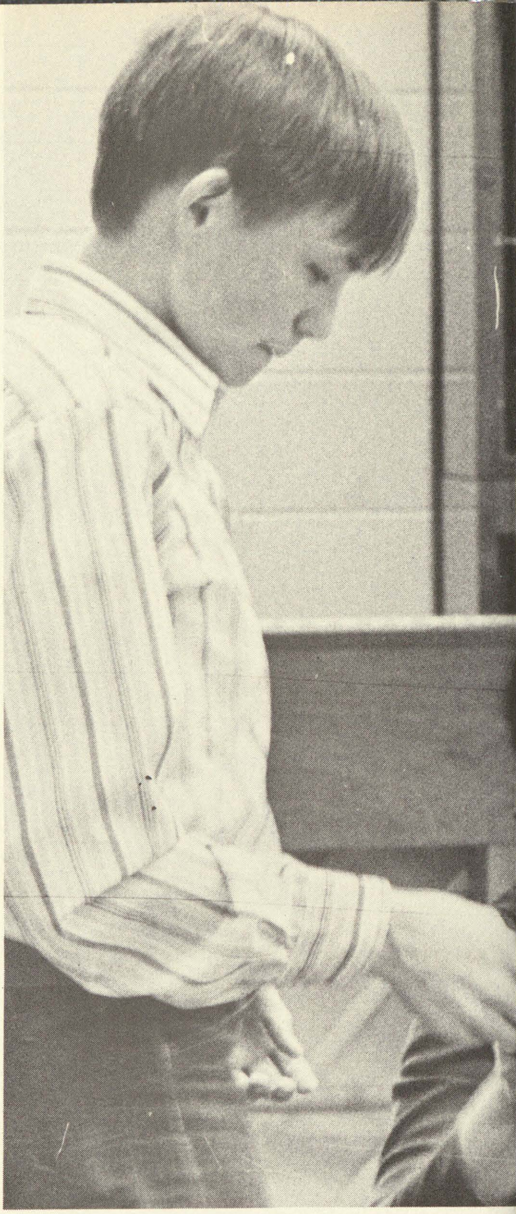


ABOVE, LEFT: Miss Clements, Novel, Composition, Research, English Two, and Mrs. Mathis the aid for the English department. ABOVE, RIGHT: Mr. Rosson, English I, Poetry, Research, 19th Century American Literature. RIGHT: Mr. Ryan, Mythology, English I, Research.



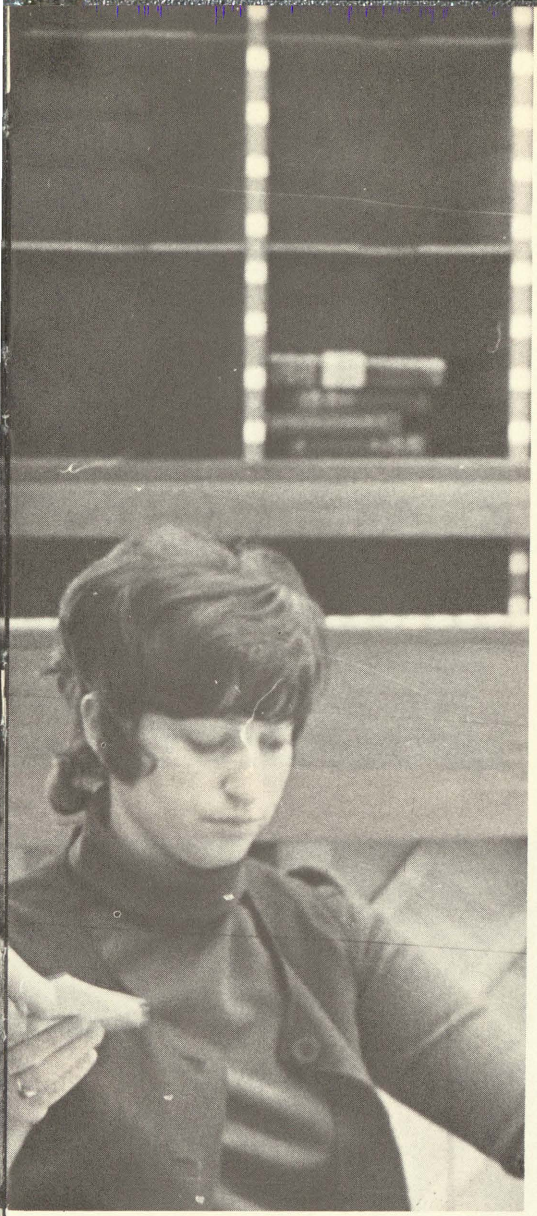
BELOW: Mrs. Boomer, Composition, Research, Short Story, American Lit; Early 19th Century American Lit. FAR BELOW: Miss Bloomfield, Suspence Novel, Basic English, Research, English and American Lit.



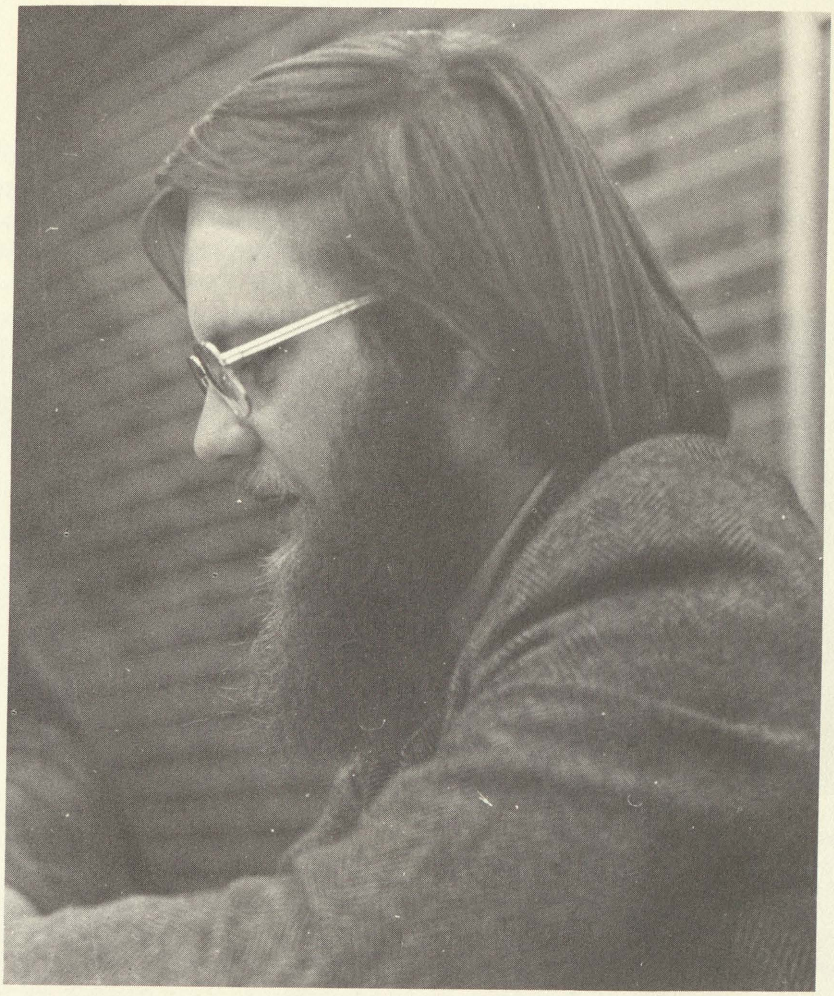


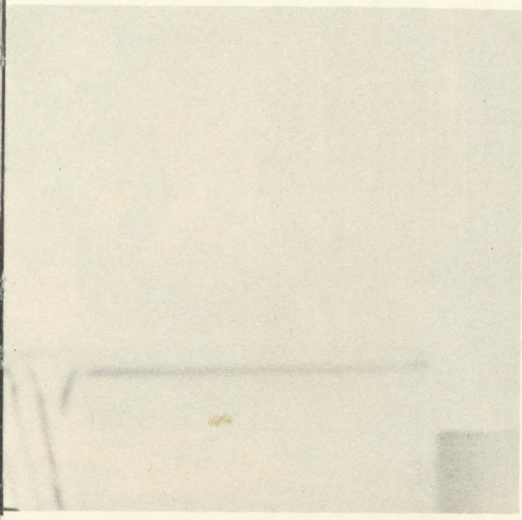
Field Trips Are More Than Fun

Mrs. Ball, Folklore, Short Story, Drama, Yearbook, Non Fiction.



Left: Mrs. Brandon, Speech I, Speech II, Debate, Contemporary English Literature.
Below: Mr. Crane, Advertising, Photography, Publication Design, Journalism, Newspaper.



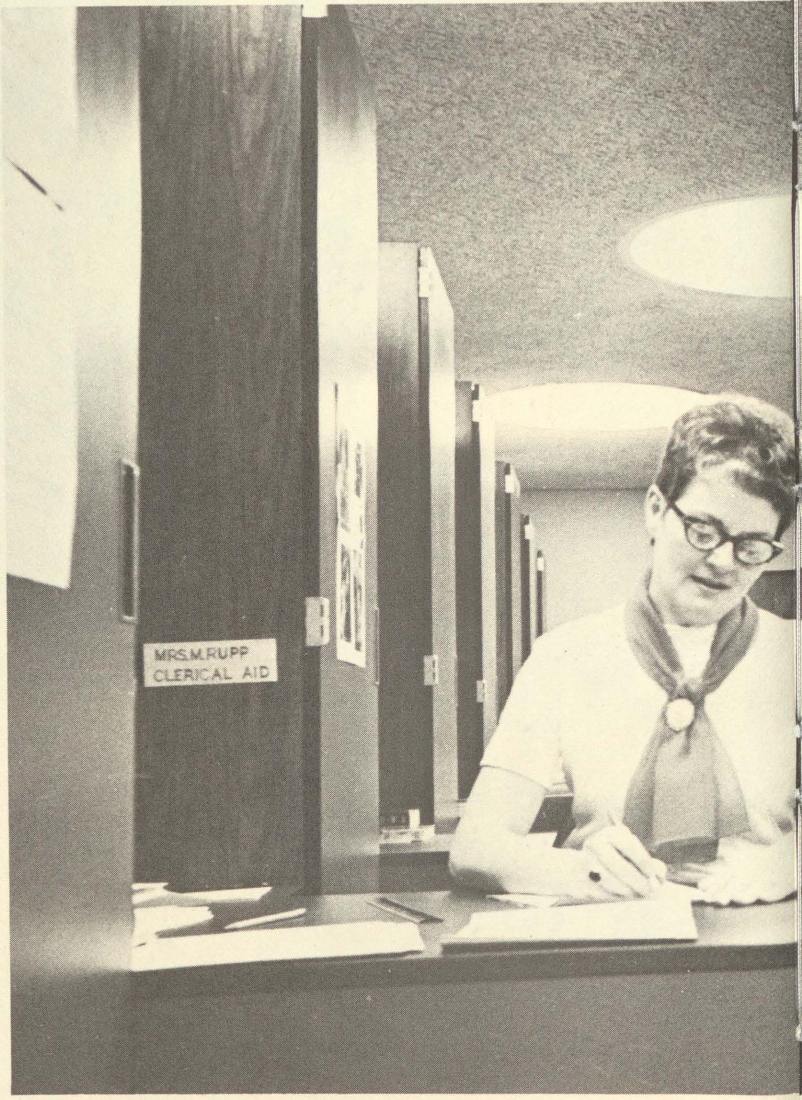


Miss Sowle, Theatre, Acting, Play Production, Speech.

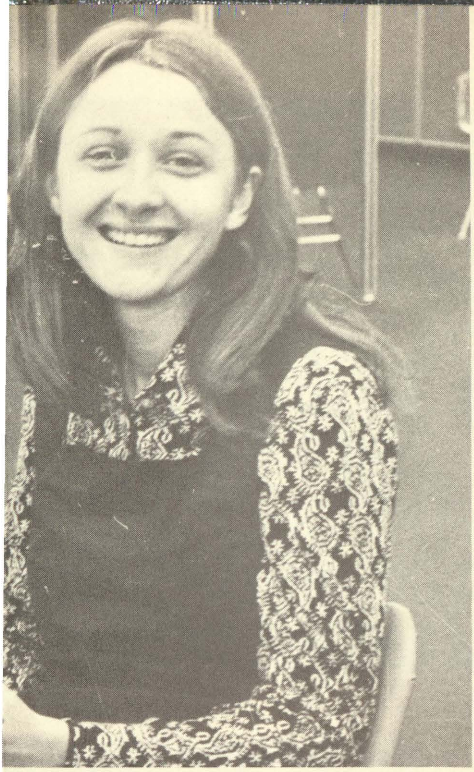
Problems?

Math is one of three subjects required in High School which you have to have to graduate. It is very important that you have some kind of math. Eisenhower offers different courses from Practical Math to Algebra II-Trigonometry.

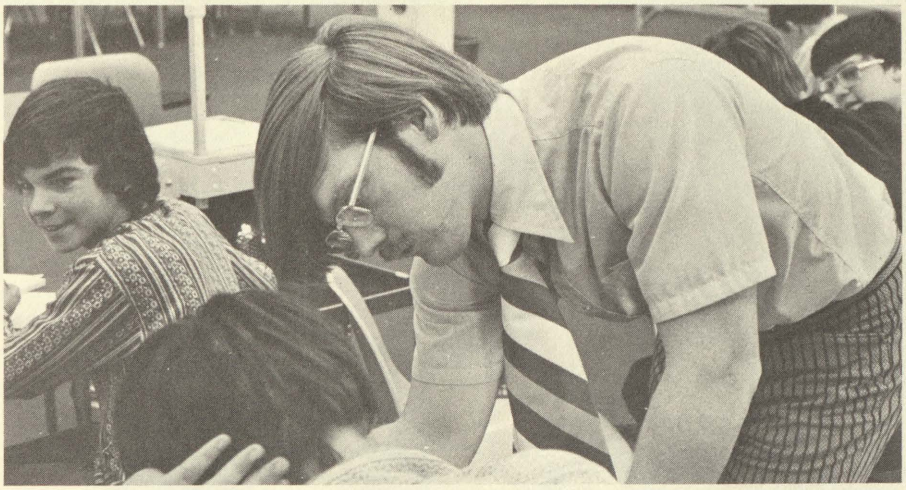
Practical math is a class which offers a little bit of everything all put together. One of the more difficult classes is Algebra II-Trig. which is just a mixture of Algebra II and Trigonometry. All together there are sixteen courses offered.

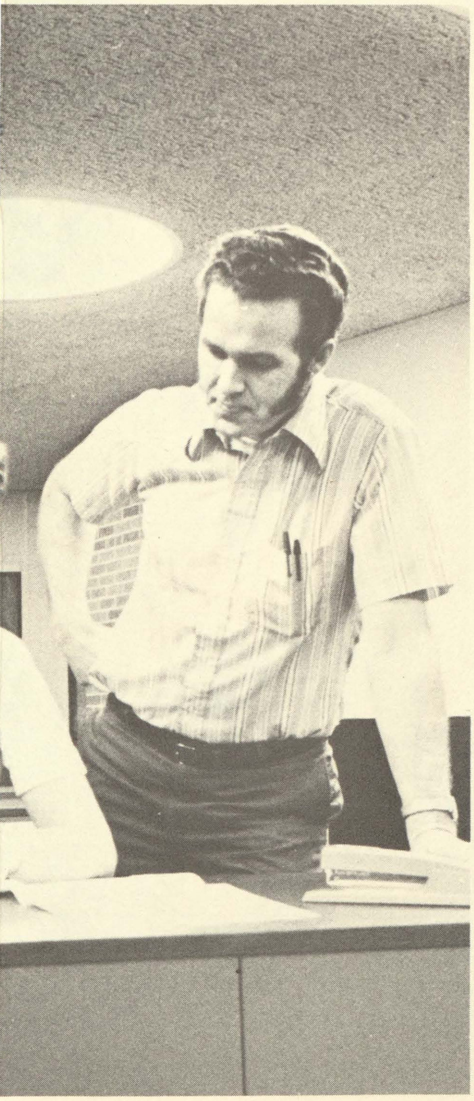


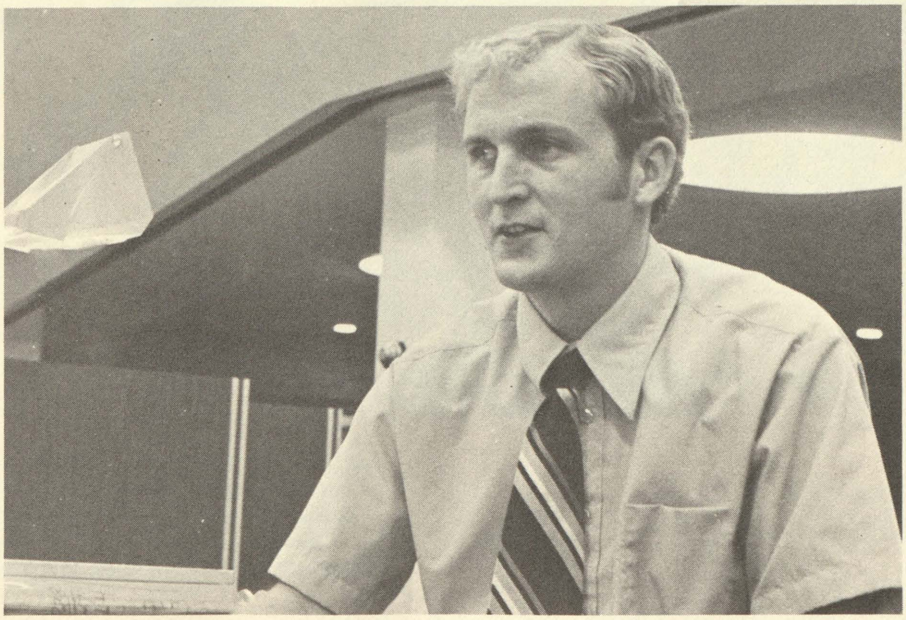
ABOVE, left: Mr. Swartzendruber, Algebra II, Modern Algebra, and Plane Geometry. On the right is Mrs. Otto, Modern Algebra, Plane Geometry and Practical Math. RIGHT, left; Mrs. Rupp is the aid for the math department. Next is Mr. Morgan, the head of the department and he teaches, Practical Math and Integrated Geometry.



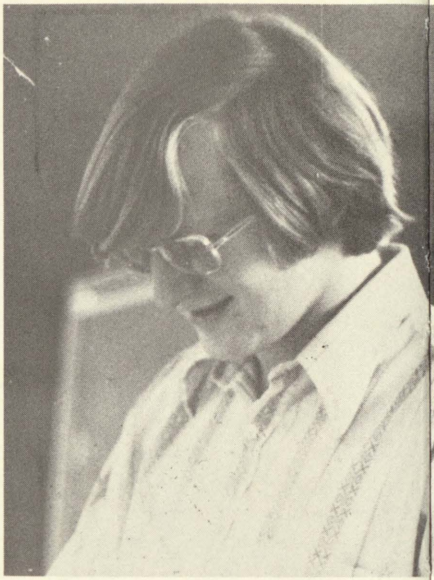
LEFT; Miss Zachrich, Algebra I and II, Integrated Geometry. BELOW; Mr. Decker, Algebra I and II, and Trigonometry.

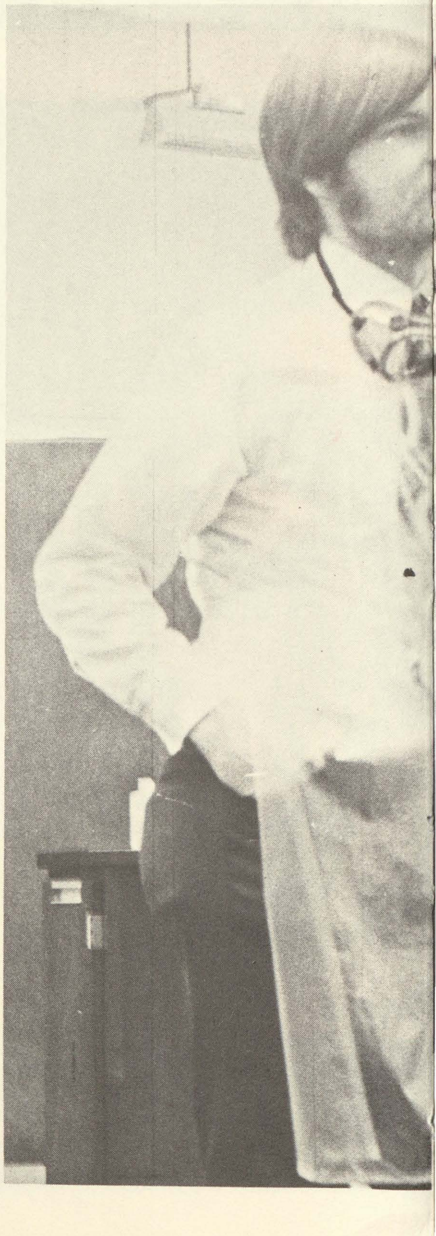


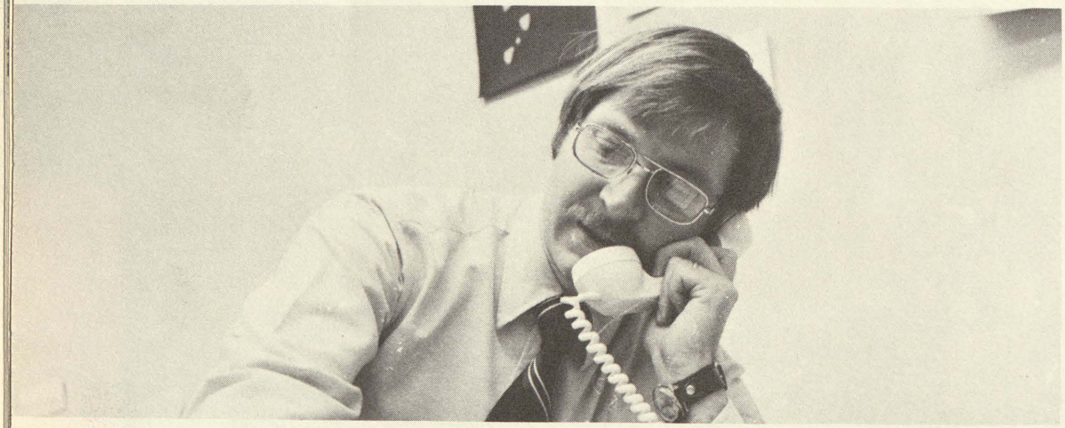




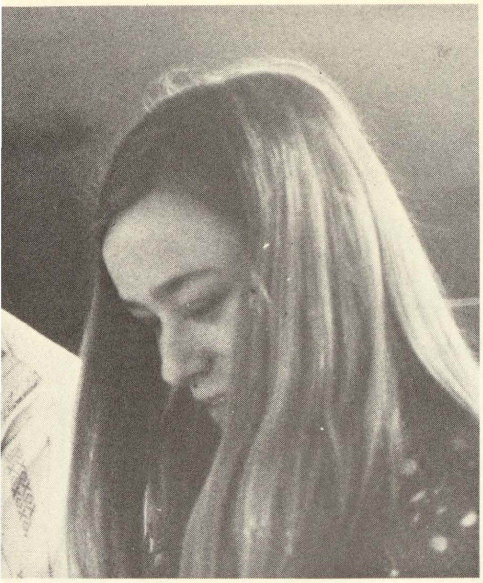
ABOVE; Mr. Berg, Plane Geometry, Algebra II, Record Keeping, and Retailing.







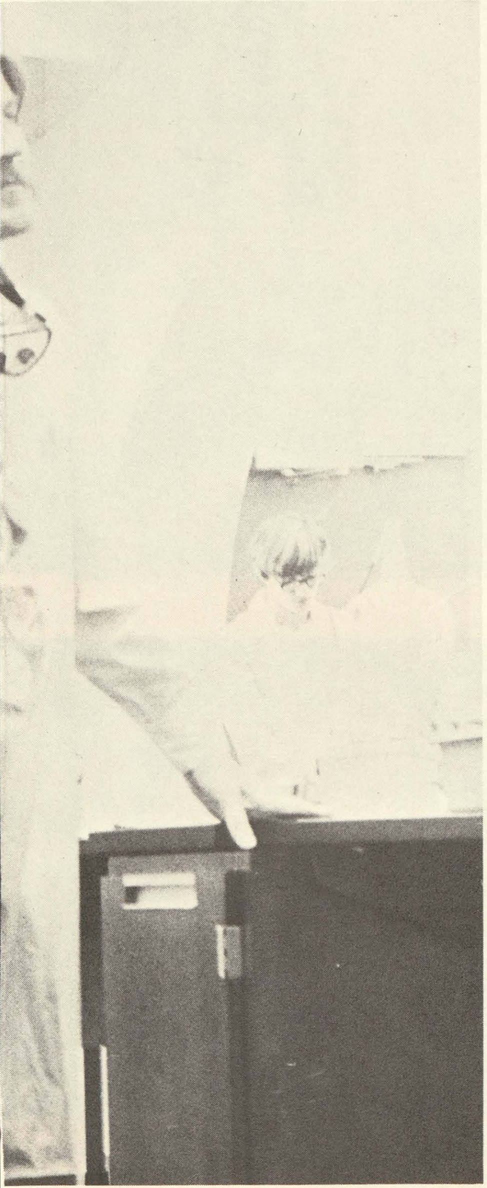
ABOVE FAR RIGHT; Mr. Kolbe, Introduction to Physical Science, Investigation in Biology and Biology I. TOP: Mr. Emerick; Biology I and Introduction to Physical Science. ABOVE; Mr. Williams; Biology and Media I and II.



H_2O=Water

Under the head of Mr. Emerick, the Science Department has five teachers. Now that we are in our first full year, they have the chance to put their department to full use.

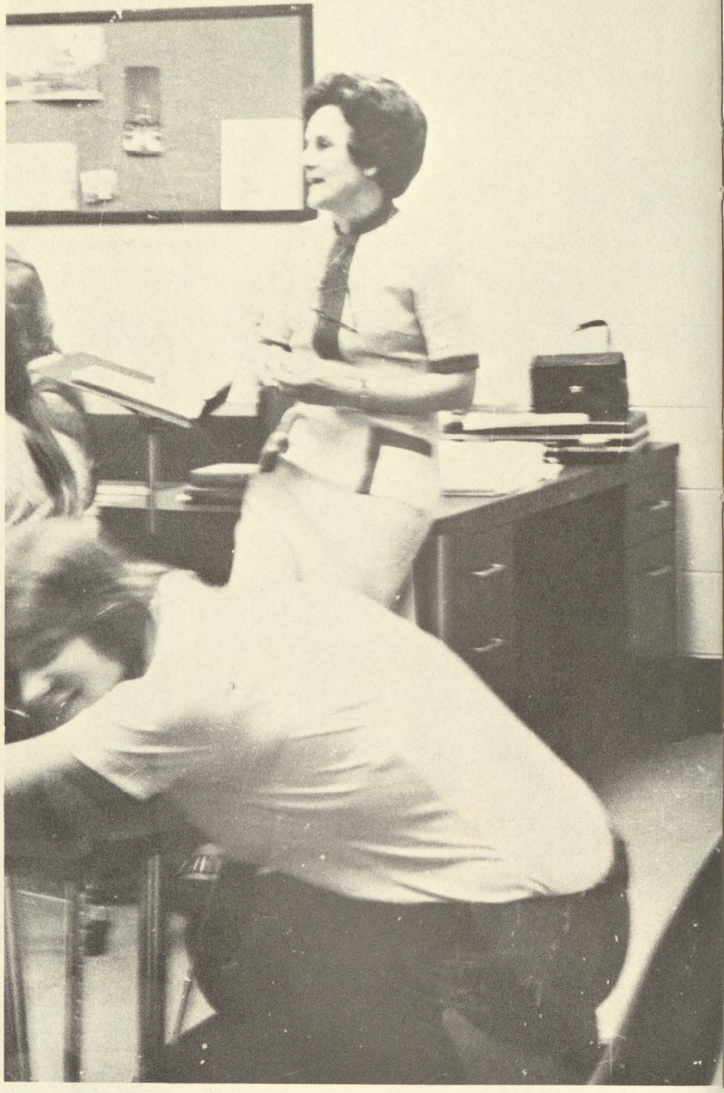
Courses offered included; Introductory Physical Science, Investigations in Biology, Investigations in Physical Science, Biology I, Introductory Chemistry, and Physics I. Within these courses, students have been busy working in the laboratories and on special projects.

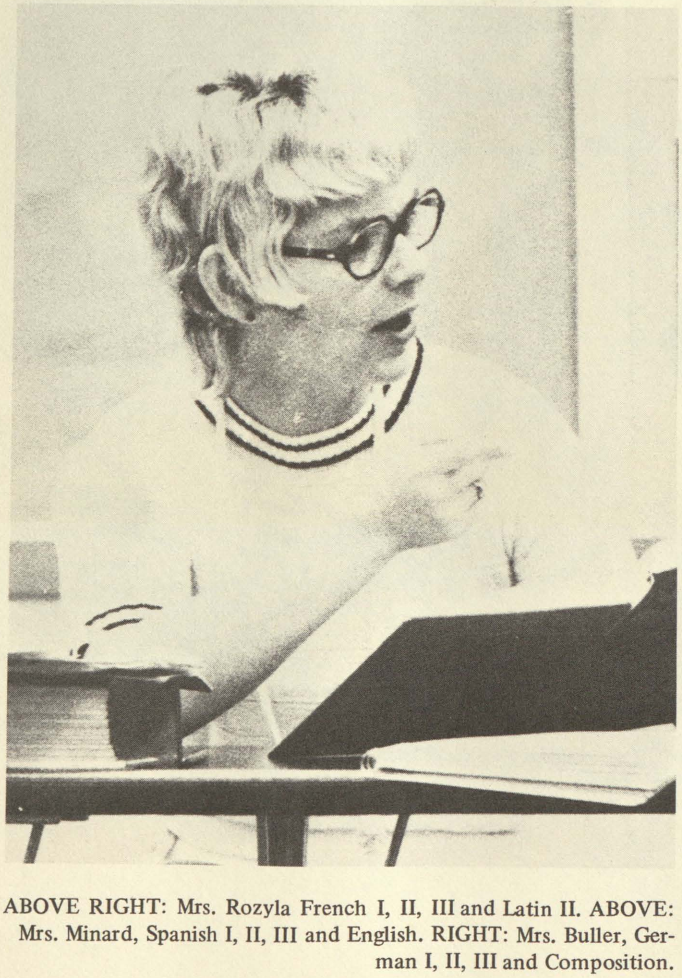


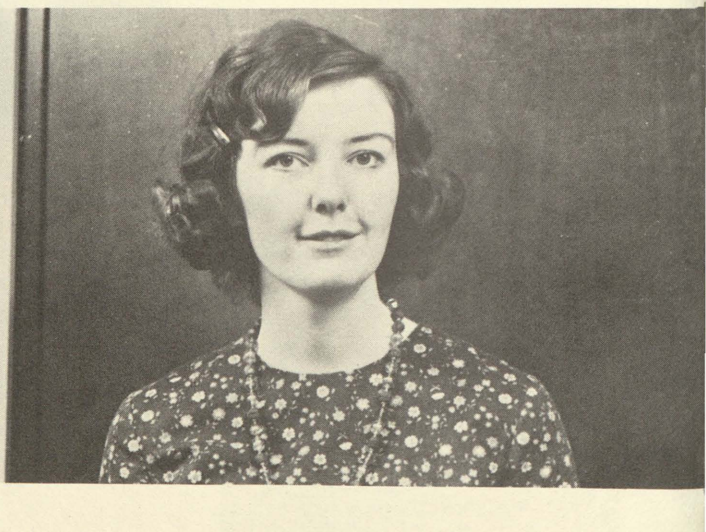
LEFT; Is Miss Bortle, the Science department's aid. Next to her is Mr. Stocker, Physics and I.P.S. ABOVE is Mr. Benjamin, Chemistry.

Los Clubes de Las Lenguas

Los Clubes de Las Lenguas—clubes for languages. For every foreign language class there is a club. They all do their share of activities, such as car washes, bake sales, dances and other things like this. Classes use group work, oral work, and tape recorders. Many research projects, especially for second and third year students, are required.



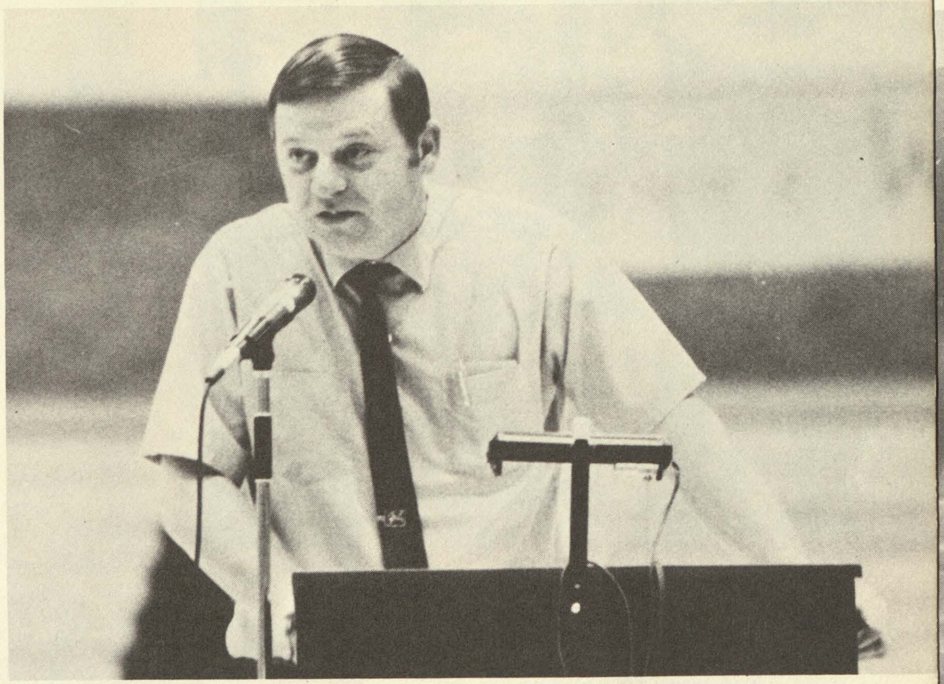




ABOVE RIGHT: Mrs. Rozyla French I, II, III and Latin II. ABOVE: Mrs. Minard, Spanish I, II, III and English. RIGHT: Mrs. Buller, German I, II, III and Composition.

Meet the Business World

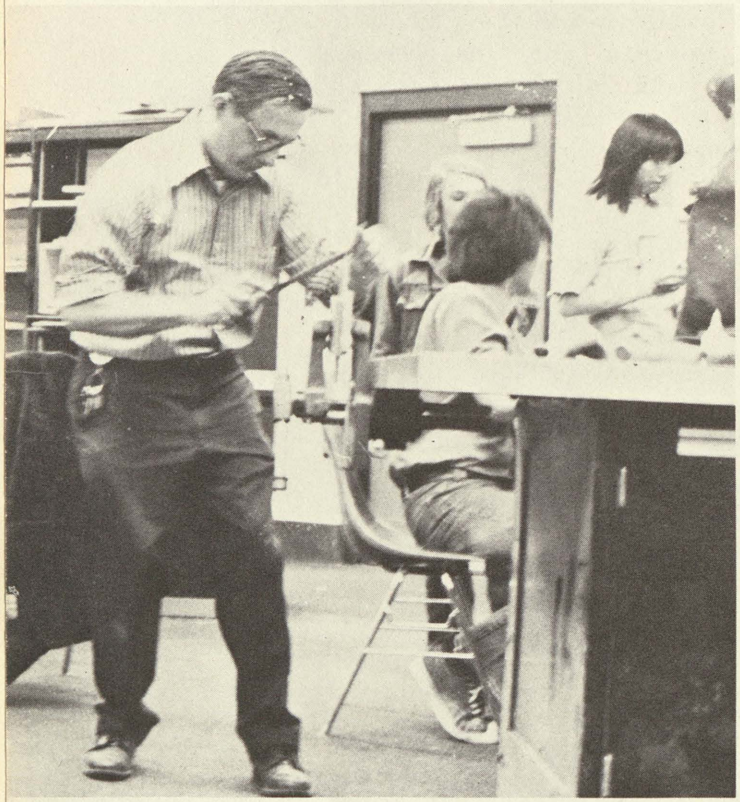
The Business Department has many courses to offer to the student who is interested in going into the business field. Typing I has found a new method of teaching, its called Automated Instruction. There are two phases in this method. First, Phase I which teaches students the keyboard by film, Phase II helps him with his speed and accuracy. Accounting is yet another course. Individual studying is stressed.



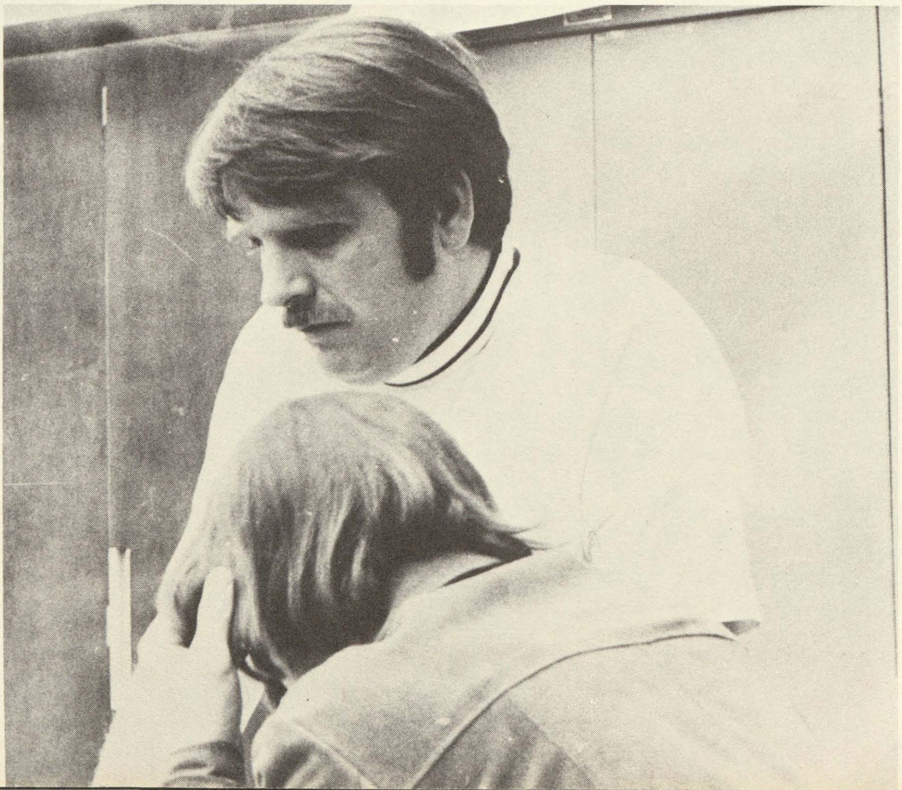
ABOVE LEFT: Mrs. Wilson, Typing I, Shorthand, Typing Advanced Beginning. LEFT: Mrs. Richter, Typing Aid. ABOVE: Mr. Fenton; Typing AB and II.

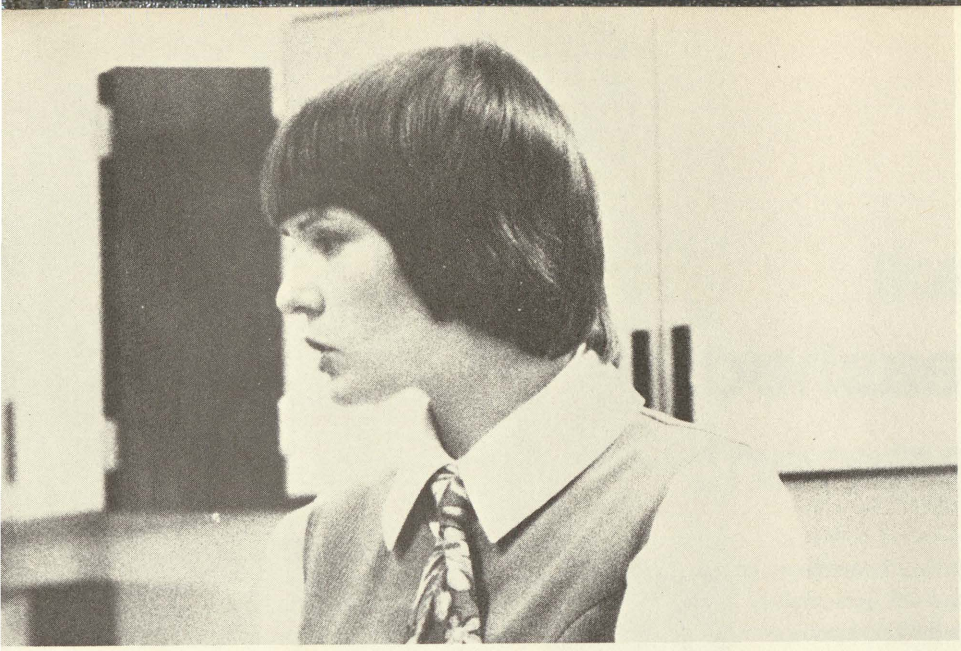
Industrial Arts Expands Its Facilities

Eisenhower has provided the Industrial Art classes this year with very fine facilities. They have most of the equipment which they need to fulfill their class needs. Items like the shears and pan breaks are new to the students this year. With the extra new equipment, they can offer a variety of subjects and classes.



ABOVE: Mr. Matthis, Hot Metals, Wood, and Metals. ABOVE RIGHT: Mr. Bilby, Graphic Drawing. RIGHT: Mr. King, Architectural Drawing, and Metals.

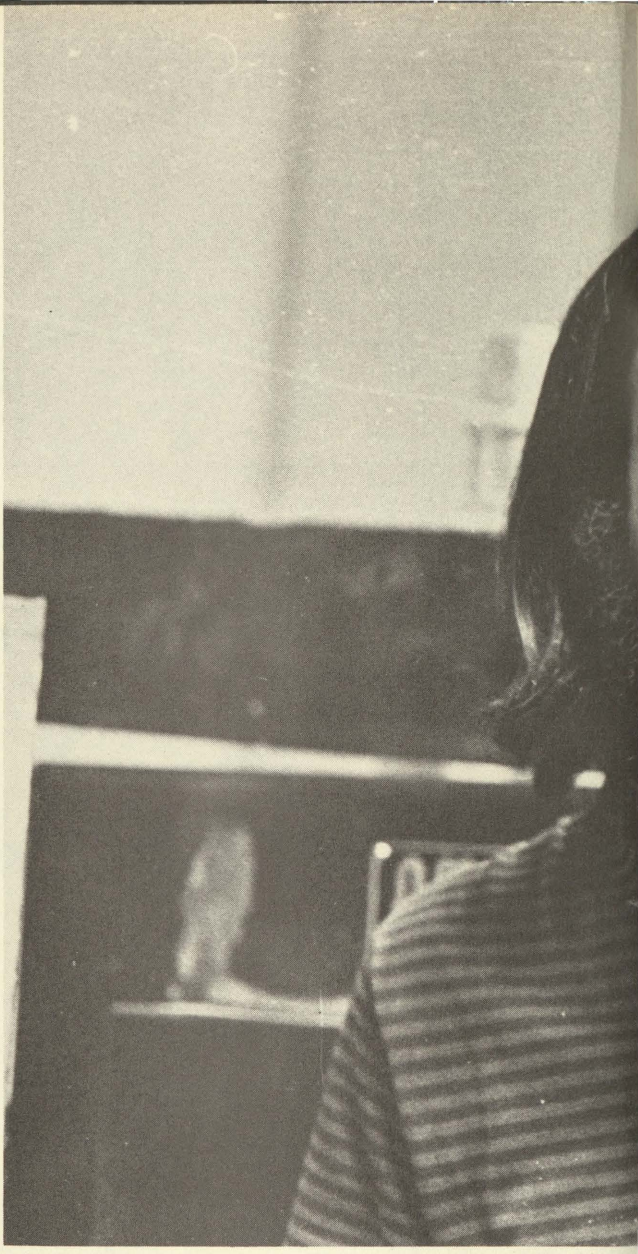




Home Arts Practiced

The Home Economics classes, under the direction of Mrs. Sloan, gives the girls the chance to show their talents in such areas as sewing, knitting, crocheting, tie-dyeing, etc. The girls along with Mrs. Sloan, added a touch of color to the Home Economics room this year by tie-dyeing the dressing room curtain and sewing machine covers with many bright colors. Besides providing girls the opportunity to be creative, Home Economics offers practical experience in preparation for the future.

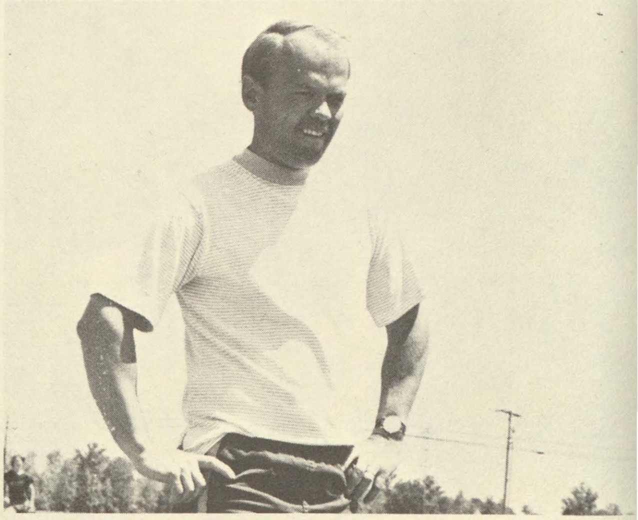
LEFT: Shelly Schrader works steadily on finishing her rug.

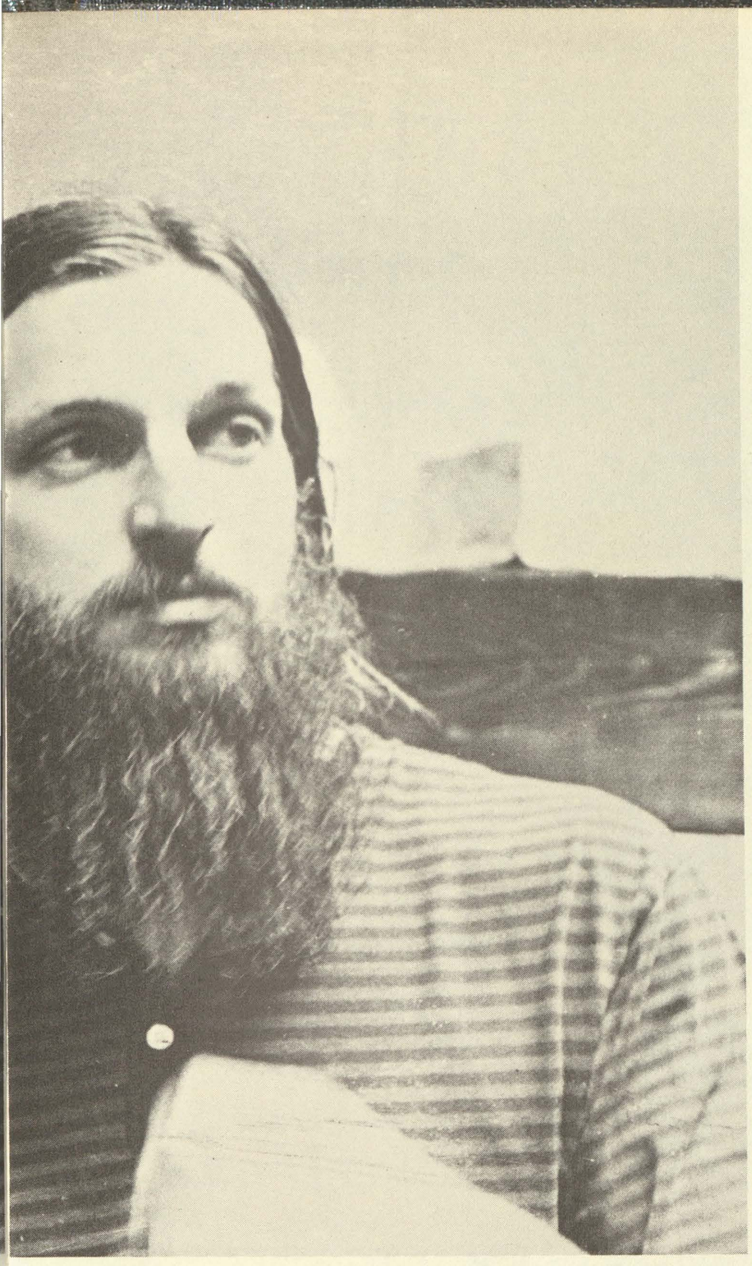


Creativity Unleashed In Art Department

This Year the Art Department has been busy, going on field trips, to the Detroit Institute of Arts, and to the Flint Institute of Arts. Also this year they co-sponsored the Tri-County Art Exhibit that was held at D.M.H.S. Gary Ader and John Burrill from Ike, both won first place prizes, and Judy McCliggot and Don Best received Honorable Mentions. The Art Department also entered in the Saginaw Womens Club Exhibit, and had a booth at the West Side Arts Festival. Other activities include an Art Club and an Artist of the Week Award. Classroom work emphasizes real life, visual things, sculpture and dimensional objects.

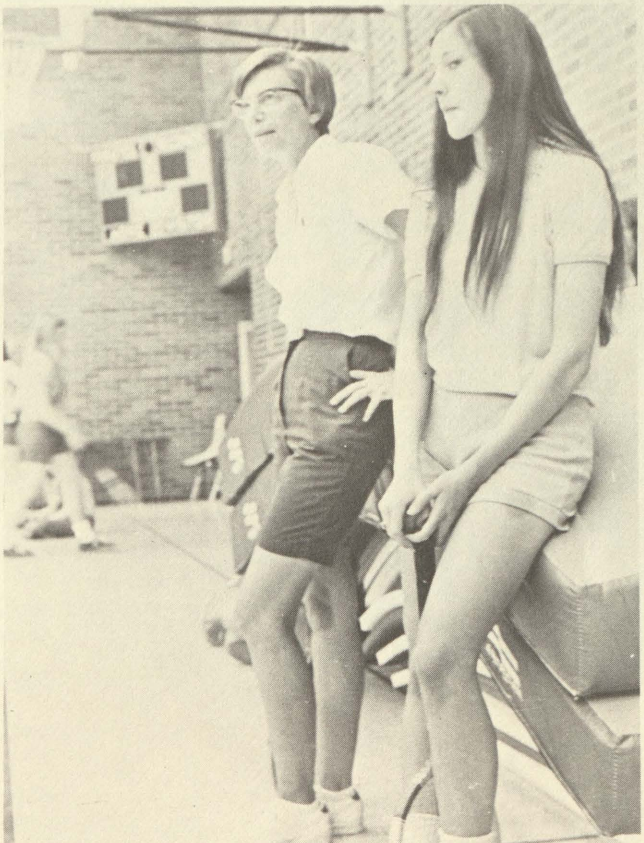
ABOVE: Mr. Wallerstein, Eisenhower's Band director, shows enthusiasm towards the band. LEFT: Mr. Matson Athletic Director. ABOVE RIGHT: Mr. Nagel, Art instructor.



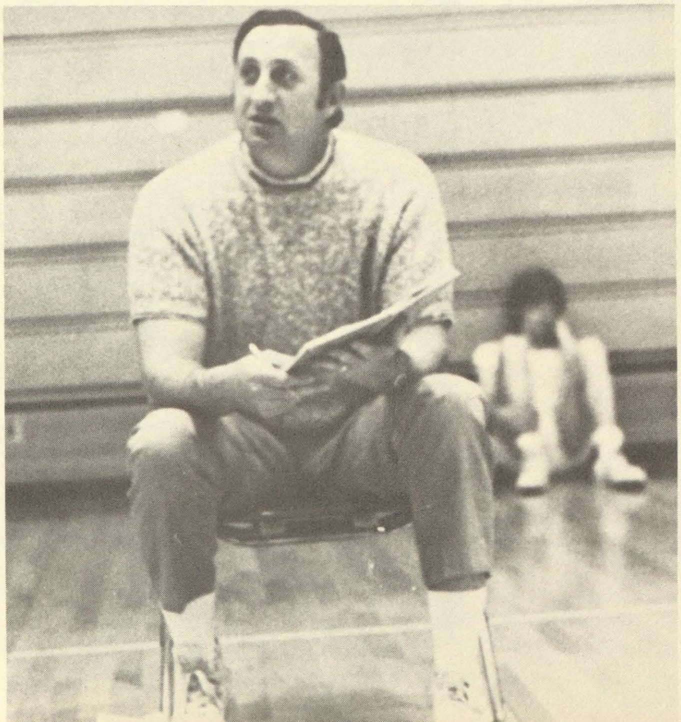


Ike's Students Keep Fit

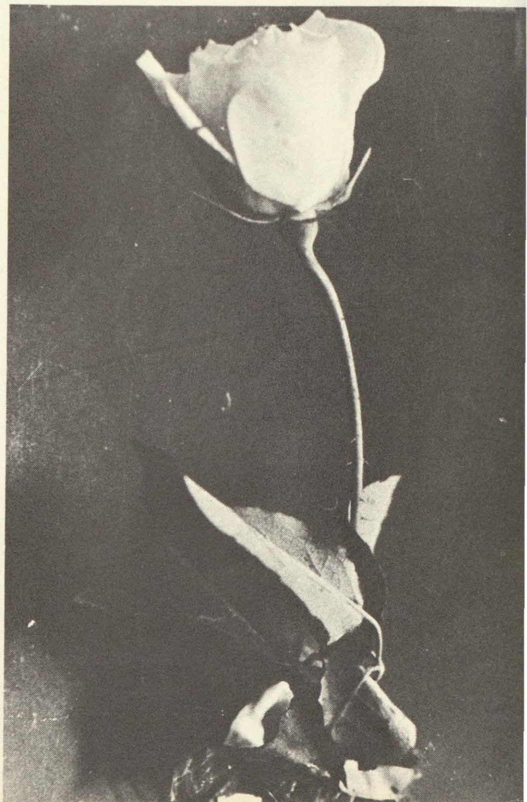
Modern America's youth are physically unfit and lazy, or so say many experts in the field. The physical education department at Eisenhower offers a variety of classes to help Ike students keep in shape. Physical fitness testing, softball, archery, swimming, gymnastics, golf, tennis, and modern dance are offered. In addition, boys participate in touch football, tumbling, wrestling, and weight-training. The wide variety of courses offered to the students have encouraged involvement, participation, and the awareness of the necessity of keeping fit.



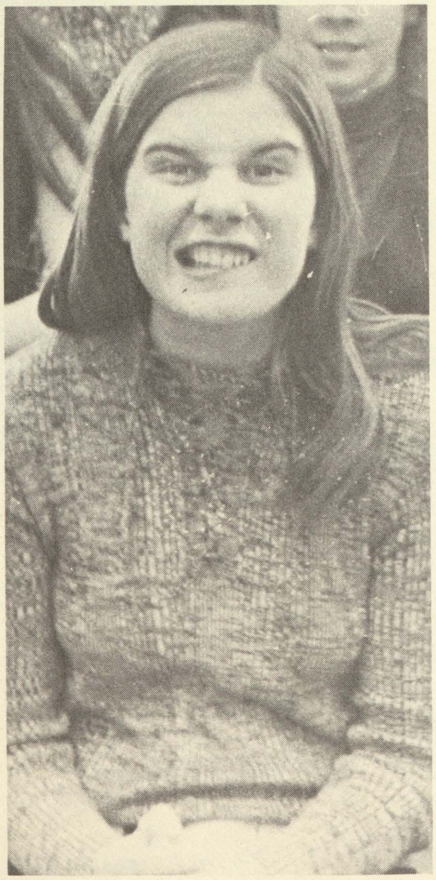
ABOVE: Mrs. Black, 9th and 10th Physical Education. LEFT: Mr. Dulac, Physical Education.

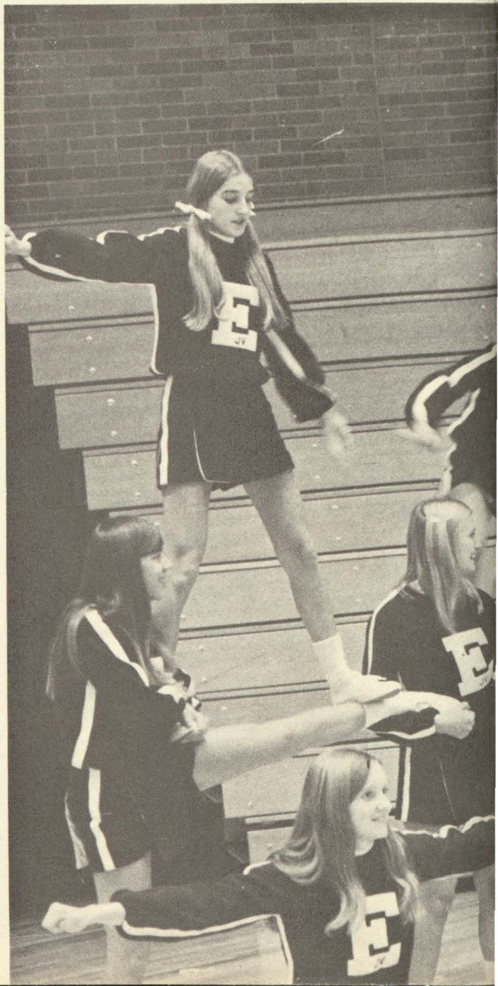


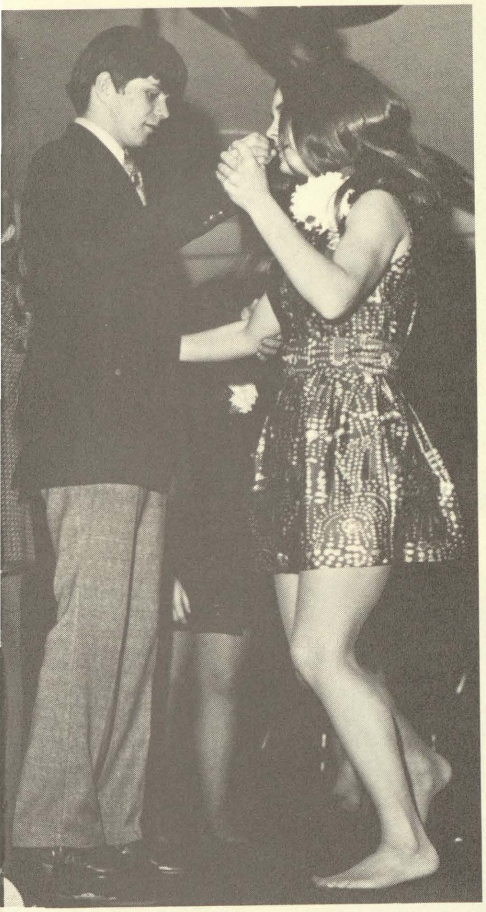
STUDENT LIFE



". . . And when the evening comes we'll smile, so much of life ahead . . ."

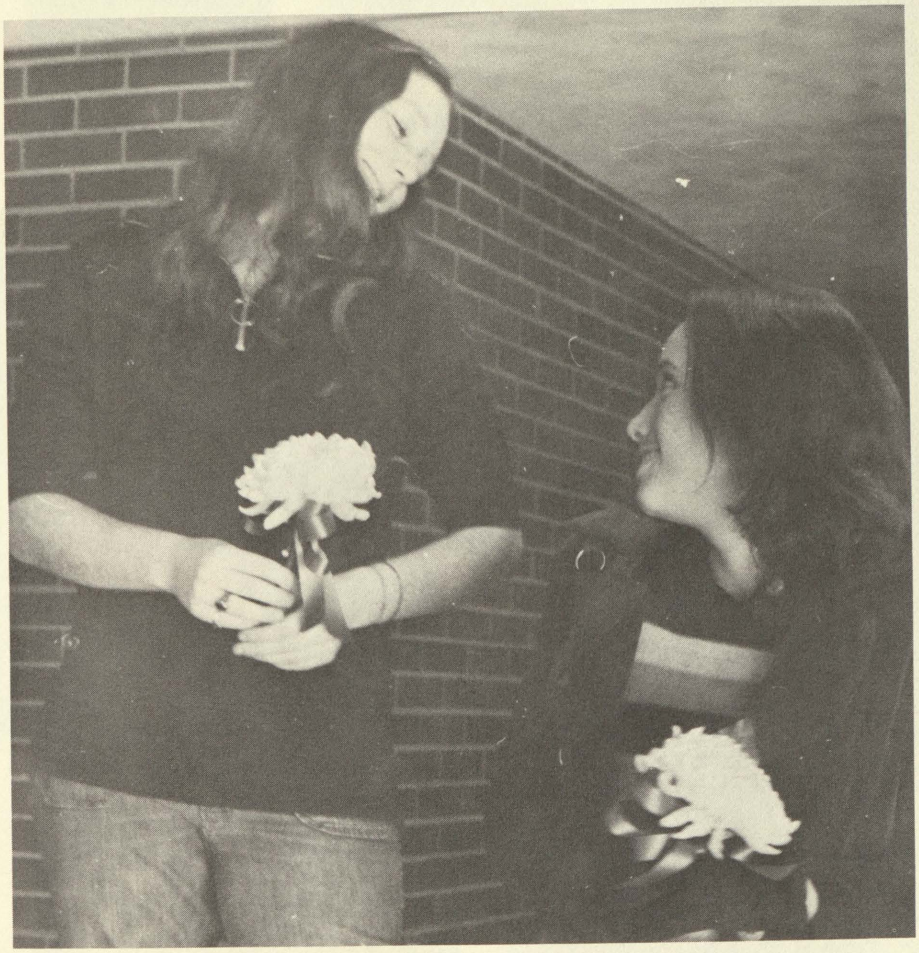


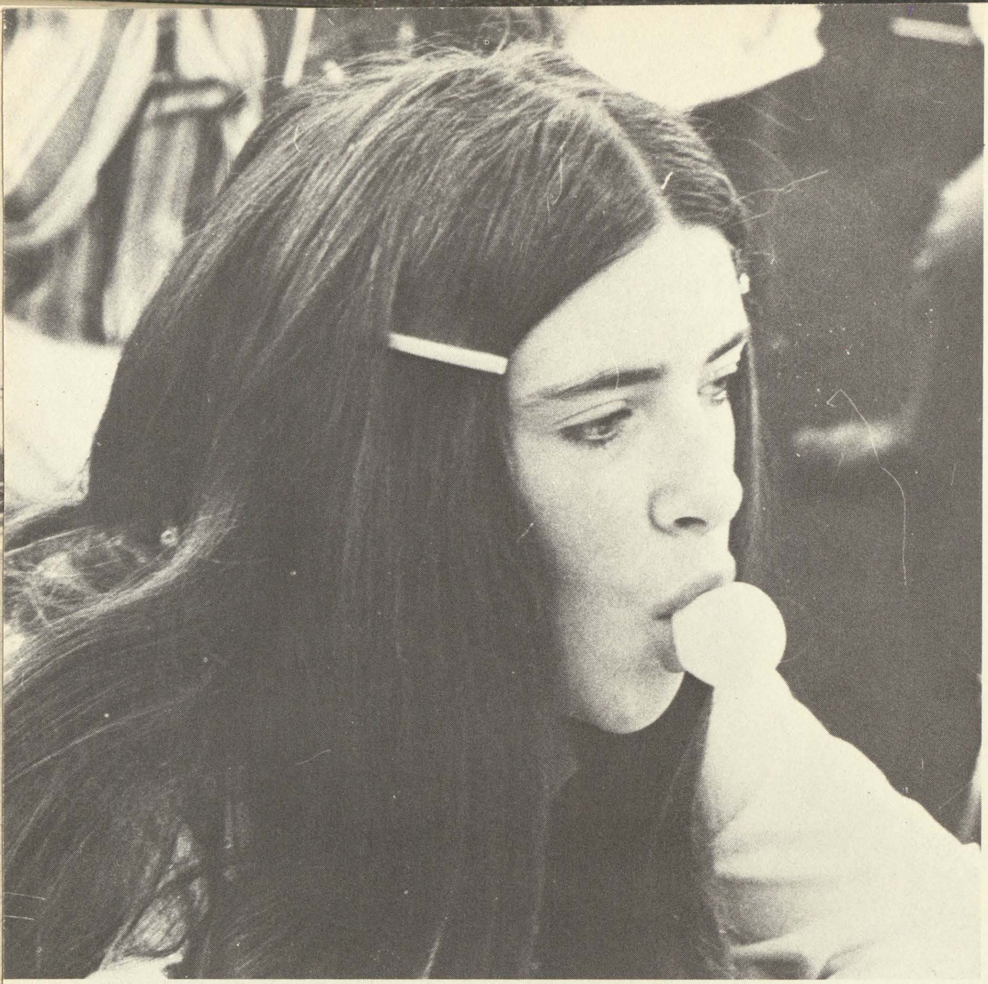


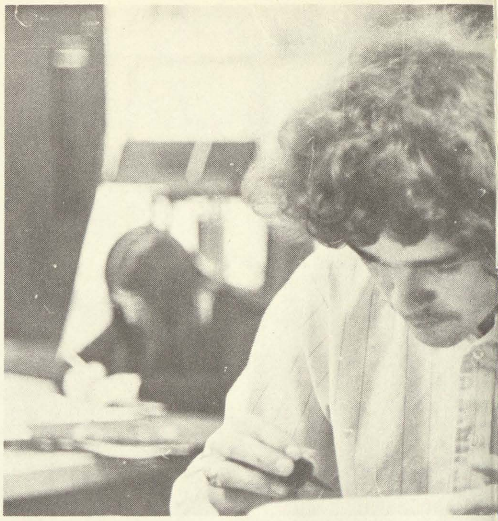


You've got to get up every morning with a smile on your face
and show the world all the love in your heart.
Then people gonna treat you better,
You're gonna find, yes you will,
That you're beautiful as you feel.

Carole King

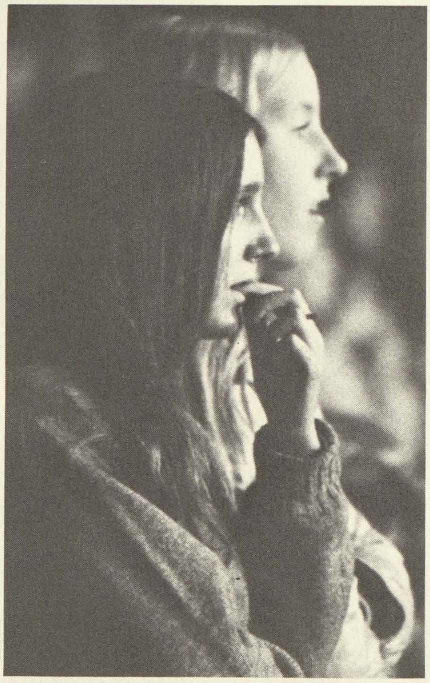


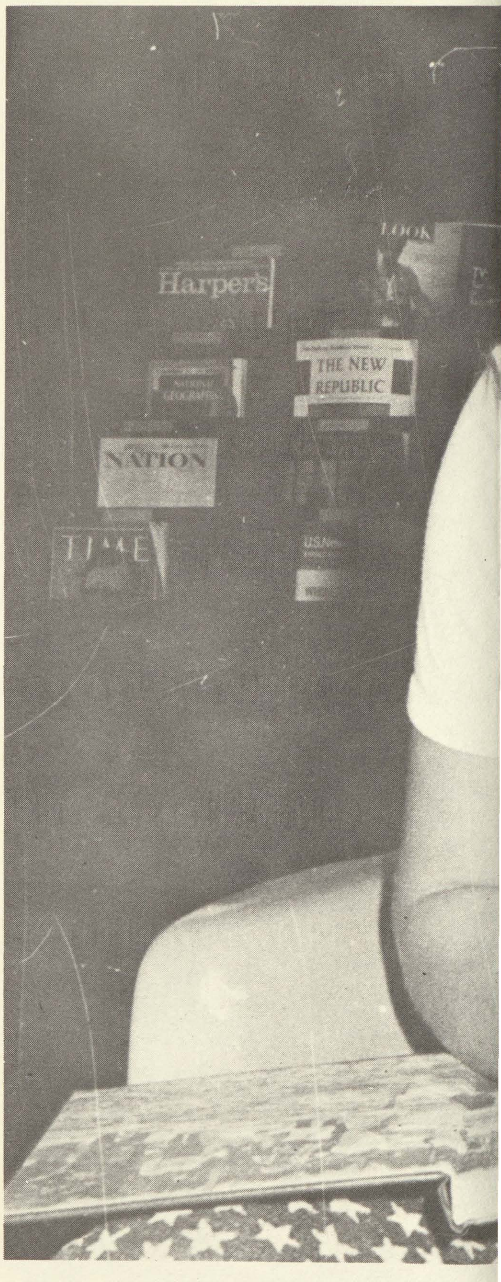


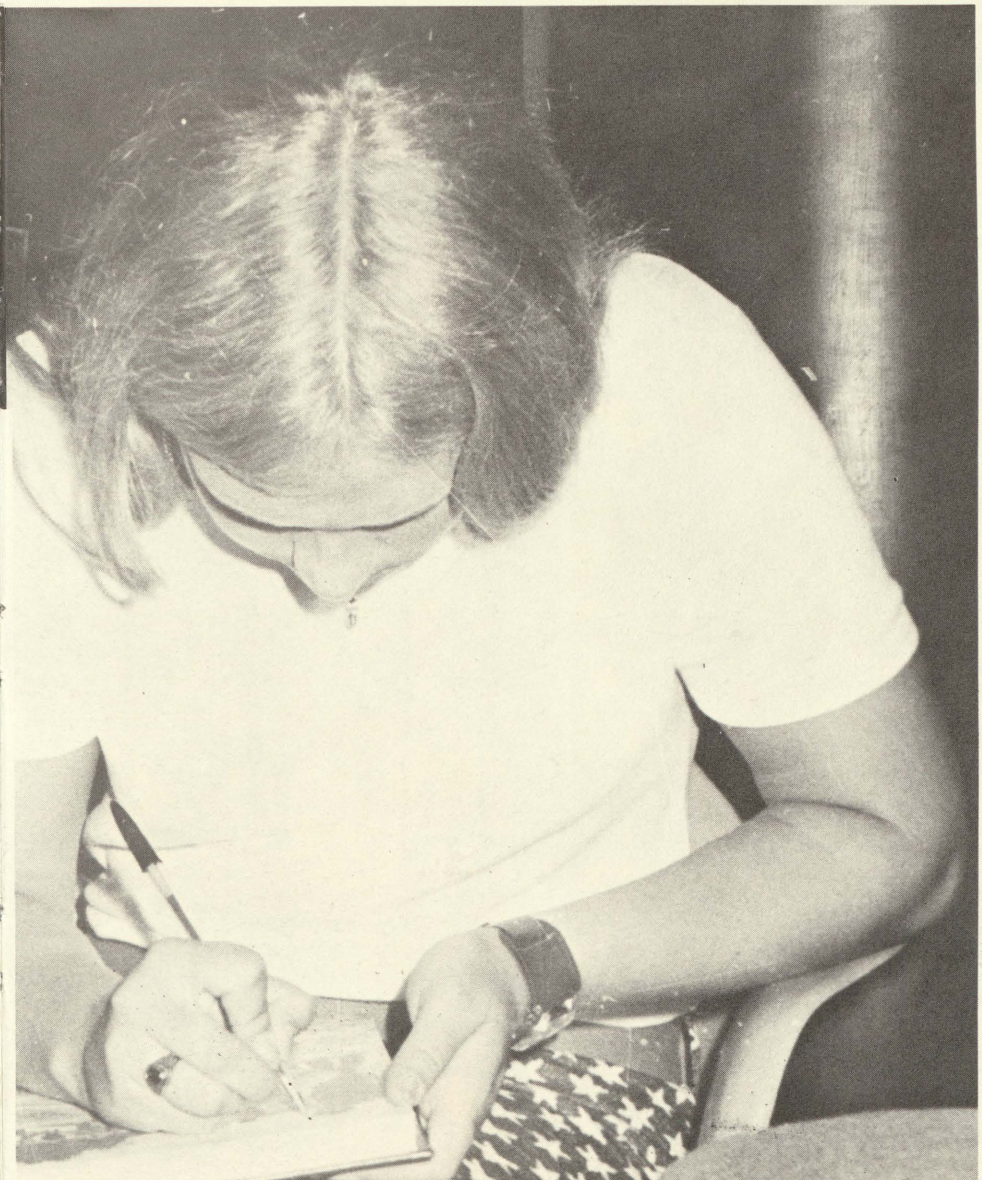


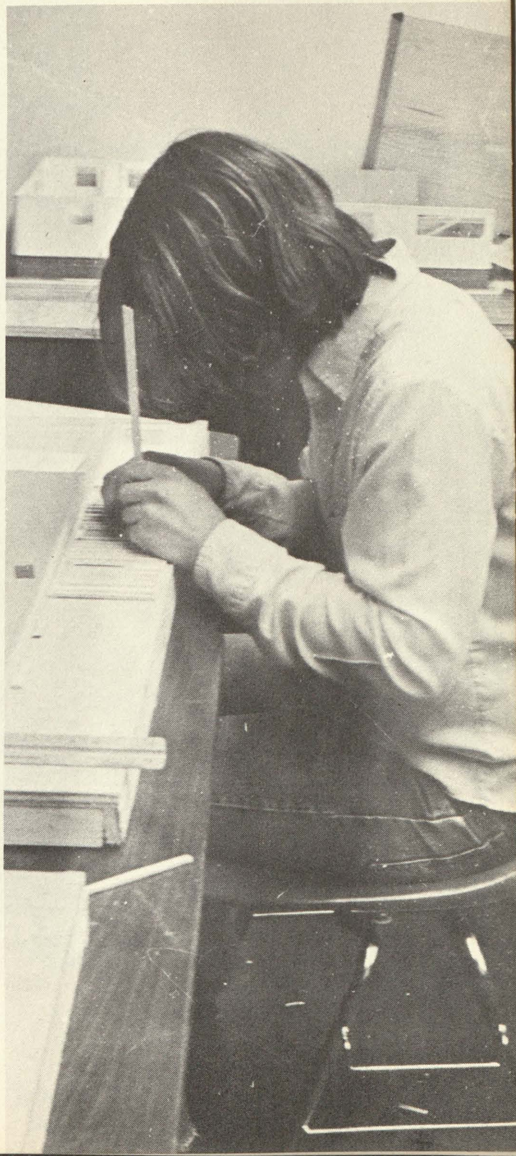
.... Time and Imagination—what are they?
They are, my dear, the psuedonyms of change,
The smooth, indifferent author of our play,
Master of both the common and the strange.
.... And we are weary, for we've come so far
Too far to be enchanted by the rain.
We are alone, alone with what we are.

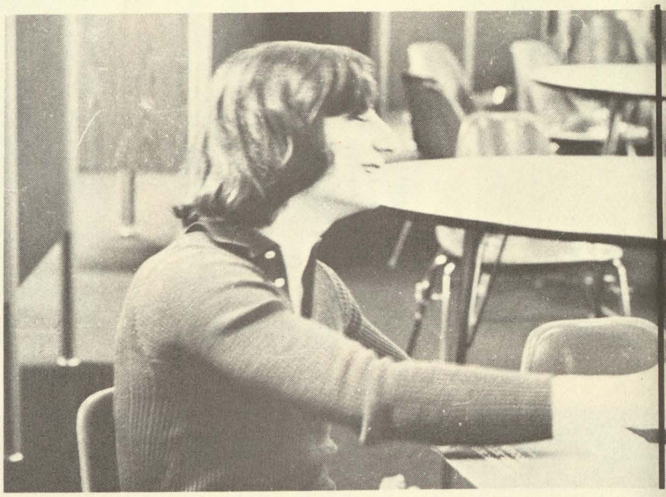
Henri Coulette

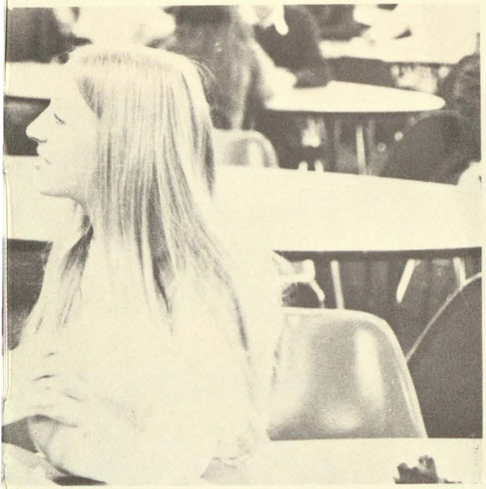












I have often asked myself the reason for the sadness
In a world where tears are just a lullaby
If there's any answer, maybe love can end the madness
Maybe not, oh, but we can only try . . .
Now I'm no longer doubtful of what I'm living for
Cause if I make you happy I don't need to do more.

Carole King

Defeat may serve as well as victory
To shake the soul and let the glory out.
When the great oak is straining in the wind,
The boughs drink in new beauty, and the trunk
Sends down a deeper root on the windward side.
Only the soul that knows the mighty grief
Can know the mighty rapture. Sorrows come
To stretch our spaces in the heart for joy.

Edwin Markham

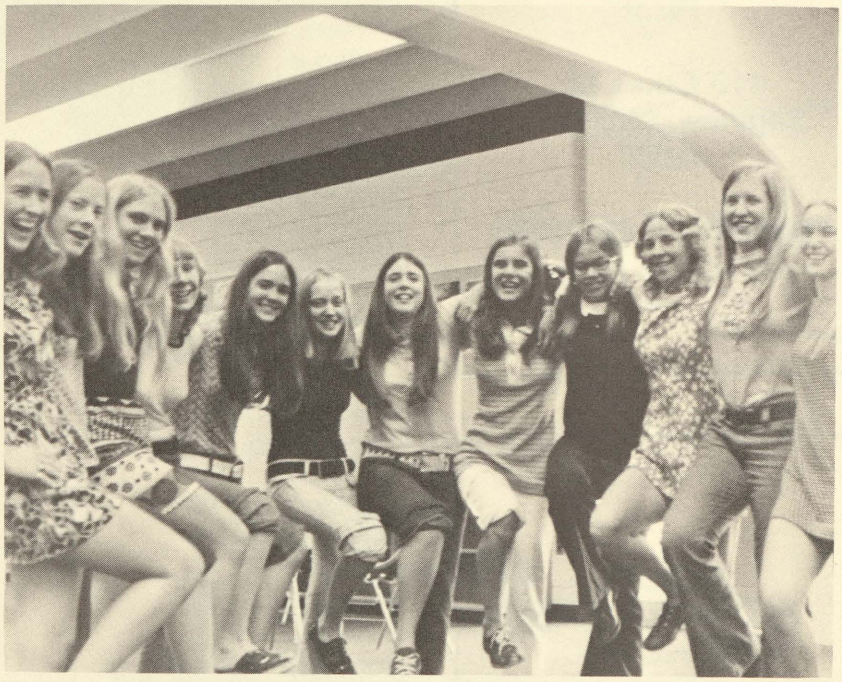
Congratulates The
COMMADERS



On A Great First
Year!

Congratulations Commanders

From the over 20,000 General Motors people in Saginaw... at Central Foundry, Chevrolet, and Saginaw Steering Gear.

Talk to us about career opportunities in manufacturing, engineering, research and development, reliability and quality control, accounting, sales, and many related areas. Or talk to our people ... the pride they take in their skills helps insure our continued leadership in metal casting and automotive component manufacture and assembly.

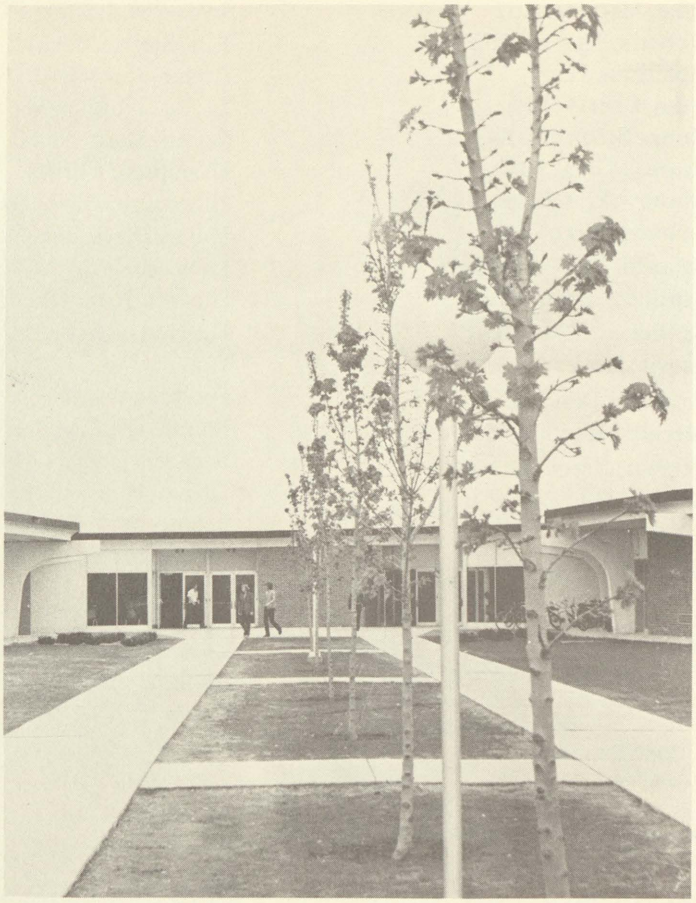
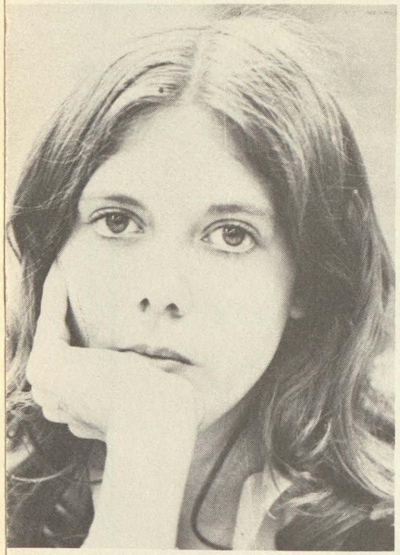
CONGRATULATIONS

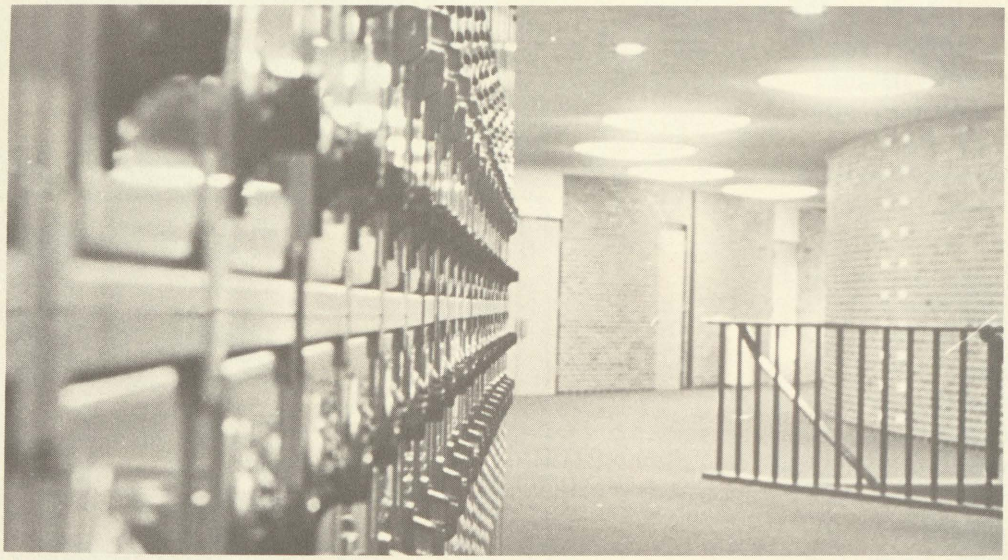
THE WICKES CORP.

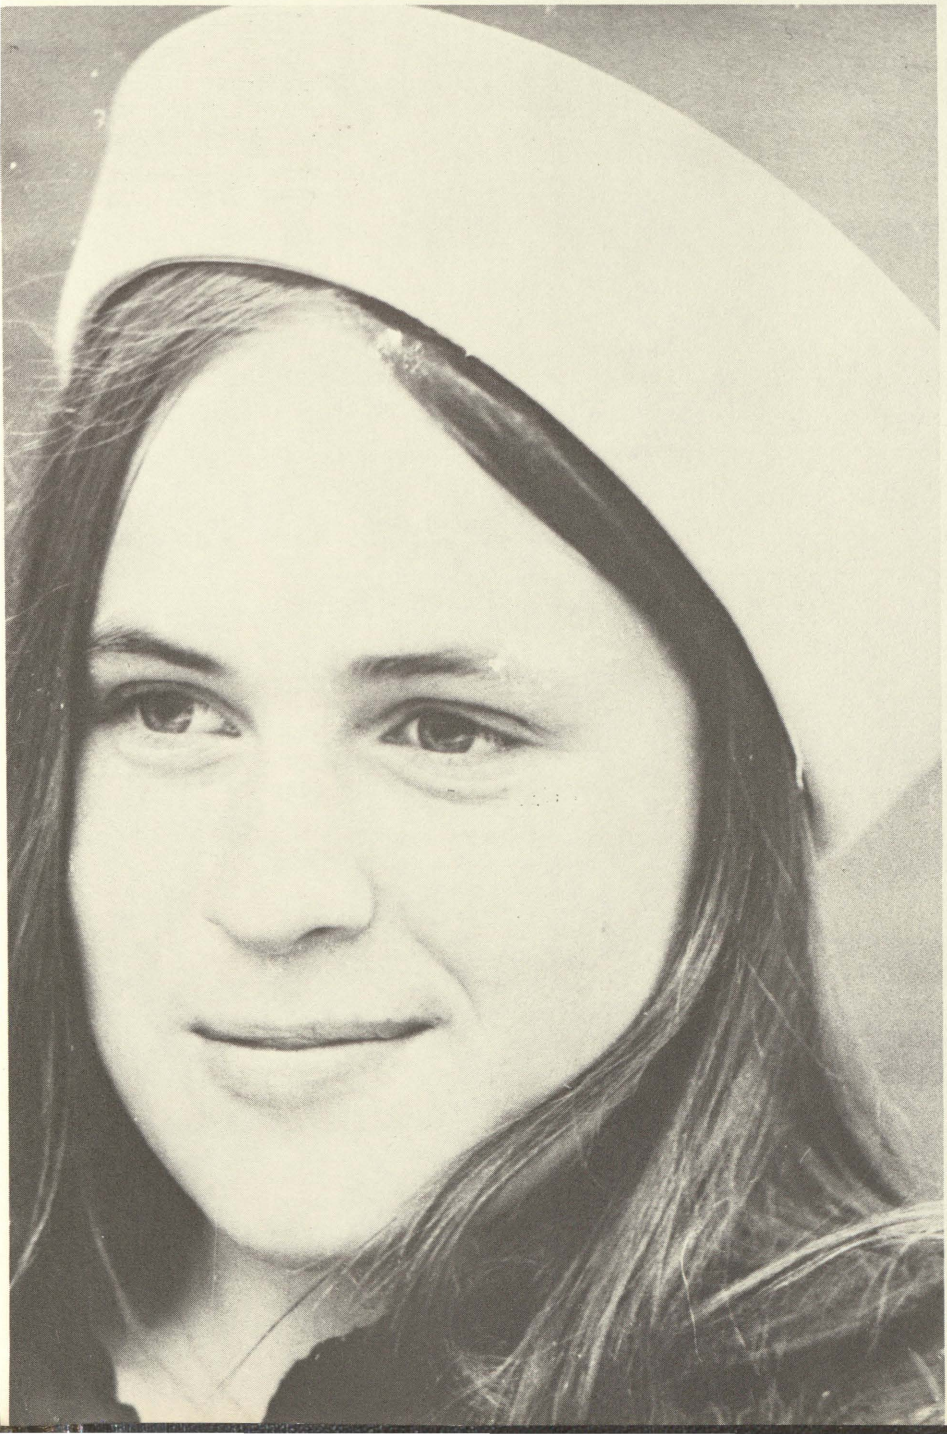
515 N. Washington

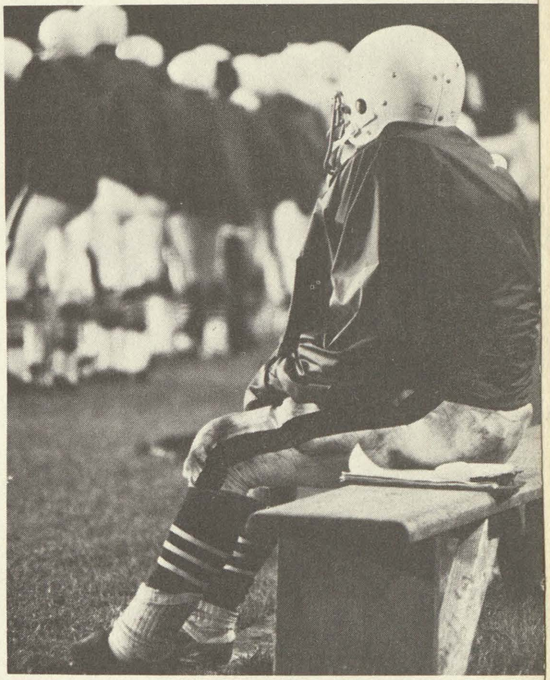


And so ends our first full year at Dwight D. Eisenhower High School. A trying year, full of hopes and fears, solemnness and nonsense, success and defeat, contentment and doubt, laughter and tears . . .









. . . the year has passed away, but it is not forgotten, for memories of our proud and excited supporters at our victorious first football game, our three week "vacation" as a result of the teacher/School Board dispute, our achievement of open campus, and the feeling of unity throughout the student body will linger on . . .

". . . and yet, we've just begun."
